Good News Bible The Bible In Todays English Version No36:

The 666 Theory Proved Bernard Nwaokeleme PhD, 2020-09-18 This book attempts to use the encouragement given in Revelation 13 18 where it is clearly implied that the identity of the Beast Antichrist is embedded in the number 666 which requires wisdom and understanding for its interpretation Hence the number 6 that stands as the common feature of the identity of the Beast is used as a base value in the mathematical calculation Following the results obtained whereby it was proved mathematically in the book that the Beast Antichrist will be A Cloned Human the authors now appear to have removed all doubts based on the previous conceptions people had of The 666 Theory interpreted as being represented by historical personages and dignitaries Lots of obstacles were experienced during the composition of this corpus Severally important written manuscripts disappeared and attempts were made by unknown forces to cancel or efface the drawings stored in the memory of the computer Prayers were often said over the lost manuscripts and some were recovered after These obstacles did prolong the publication of this work However the obstacles do prove the reality of the existence of the Devil and his hordes of evil angels who had tried everything possible to stop the research work The attention of world governments have been drawn in the book to the imminent dangers that would face our world if the Antichrist were allowed to surface from either the sea or land as suggested in the Book of Revelation The actual probable date of 2012AD for the birth of the Antichrist has been worked out mathematically as implied in the Revelation Text 13 18 The authors therefore warn all governments that the greatest world enemy is about to come through human cloning science The most needful war to be launched and fought must be the war against human cloning If this is not done the Antichrist must surface from a colony of human clones in a few years ahead If this war against human cloning is not launched now the world should get ready to face a very severe war of the Antichrist as from the year 2042 AD when the Antichrist would have grown into maturity as a world Dictator This book cautions that all hands must be on deck to fight the battles of this imminent war If you want to be a soldier in this crusade war this book is your armour and weapon I recommend this book to Governments Institutions Churches and families because it will likely serve as a deterrent to the menace the Devil is planning to usher into the world in the near future

The British National Bibliography Arthur James Wells, 2001 *Good News Bible* Bible Society (British & Foreign Bible Society), British and Foreign Bible Society, 1979 *Becoming a Romanov. Grand Duchess Elena of Russia and her World (1807-1873)* Dr Marina Soroka, Dr Charles Ruud, 2015-07-28 *Becoming a Romanov* offers a new understanding of Russian and international events of the era the Romanovs role in them the degree of autonomy enjoyed by high born women in Russia and the ways in which new ideas gained ground in the nineteenth century Russian empire Based on abundant and largely unused archival sources published documents and literature of the period in French Russian German Italian and English this is the first book about Grand Duchess Elena and it expertly interweaves the story of a woman's life with that of Imperial Russian high politics Theological Theology R. David Nelson, Darren Sarisky, Justin Stratis, 2015-08-27 The areas of discussion include the nature and method of theology Scripture and its interpretation Christology and the doctrine of the Trinity moral theology and the reading and use of theological dialogue partners The essays are written by eminent systematic theologians theological ethicists and biblical scholars from a wide range of Christian traditions The contributors to this volume appraise extend and apply different aspects of the conception of theological theology That theology should in fact be thoroughly theological means that theological discourse gains little by conforming to the canons of inquiry that govern other disciplines it should rather focus its attention on its own unique subject God and all things in relation to God and should follow procedures that allow it to access and bear witness to these realities *Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature* John McClintock, James Strong, 1891 **Notes and Queries**, 1880 New-York Observer, 1902 Notes and Queries: A Medium of Inter-Communication for Literary Men, Artists, Antiquaries, Genealogists, Etc, 1880 **New-Church Messenger**, 1871 The Song of Songs Ariel Bloch, Chana Bloch, 1998-01-01 Quite simply the best version in the English language Its poetic voice intimate dignified and informed by meticulous scholarship carries us into the

Eden of the original Hebrew text a world in which the sexual awakening of two unmarried lovers is celebrated with a sensuality and a richness of music that are thrilling beyond words Stephen Mitchell Ariel and Chana Bloch have succeeded in an extraordinarily difficult task This is the best and most enjoyable translation of the Song of Songs that I know Their notes too offer excellent insights to readers who know Hebrew and for that matter to those who do not Elaine Pagels This translation is lucid and direct and has a lyrical purity that is delightful It seems to me a model of how such work may be done
