Good News In Acts:

Small Church, Excellent Ministry Jeffrey C. Farmer, 2017-12-21 Pastors of smaller membership churches have a huge calling. They are responsible for changing the world. Rather than look at the small number of members in their congregations as a limitation, pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God. *Small Church Excellent Ministry* is a handbook designed for pastors serving in smaller membership churches. This book will help you to conduct your ministry with excellence. Written by practitioners and professors, the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches. *The Zondervan 2023 Pastor's Annual* T. T. Crabtree, 2022-08-30 Countless preachers have turned to the Zondervan Pastor's Annual to save them time in sermon and service preparation. This tried and true resource makes your demanding job as a pastor a lot easier. Use its contents as is or tailor it to fit your unique approach. Devotionals and Bible studies for midweek services. Fresh and applicable illustrations. Appropriate hymn selections. Special day services for church and civil calendars. Meditations on Lord's Supper observance. Wedding ceremonies and themes. Funeral messages and Scriptures. Basic pastoral ministry helps. Messages for children and young people. Offertory prayers. *Rethinking the Acceptable Year* Christopher James Luthy, 2019-11-13 The biblical Jubilee has enjoyed increasing prominence in Lukan and missional literature, much of which has been based on suggested Jubilee allusions throughout Luke Acts, especially Luke 4:16-30. This study questions the presence of such allusions, arguing that the suggested references are better understood within the broader and more explicit tradition of the Basileia of God. Every suggested Lukan textual and thematic reference to the Jubilee is examined with particular attention given to the Nazareth episode, Luke 4:16-30, which is often cited as the most explicit Jubilee reference. The study also addresses some fundamental issues which have informed recent exegeses, including Luke's use of the term, the theme of the Basileia of God throughout Luke Acts, and the importance of Isaiah 61, both the first-century traditions that may have influenced Luke as well as how Luke employed the text throughout his two-part work. **The Death of the Messiah and the Birth of the New Covenant** Michael J. Gorman, 2014-06-27 In this groundbreaking book, Michael Gorman asks why there is no theory or model of the atonement called the new covenant model, since this understanding of the atonement is likely the earliest in the Christian tradition, going back to Jesus himself. Gorman argues that most models of the atonement overemphasize the penultimate purposes of Jesus' death and the mechanics of the atonement rather than its ultimate purpose to create a transformed Spirit-filled people of God. The New Testament's various atonement metaphors are part of a remarkably coherent picture of Jesus' death as that which brings about the new covenant and thus the new community promised by the prophets, which is also the covenant of peace. Gorman therefore proposes a new model of the atonement that is really not new at all: the new covenant.

model He argues that this is not merely an ancient model in need of rediscovery but also a more comprehensive integrated participatory communal and missional model than any of the major models in the tradition Life in this new covenant Gorman argues is a life of communal and individual participation in Jesus faithful loving peacemaking death Written for both academics and church leaders this book will challenge all who read it to re think and re articulate the meaning of Christ s death for us **Biblical Strategies for a Community in Crisis** Colleen Birchett,1995-04 Through inspirational messages and warnings 11 leading Christian thinkers share with readers the major challenges facing the African American community and its church Readers are given biblical strategies for facing these challenges 12 lessons Leader s Guide also available

Word, Care, and Worship Peter Nyende,2025-04-14 In this second volume by Dr Peter Nyende he outlines a biblical theology of pastoral ministry that highlights its vital importance and provides a comprehensive understanding of its fundamental goals and activities This understanding is rooted in Jesus s designation as the chief shepherd which is the fulfilment of the pastoral responsibilities of the priests and prophets in the Old Testament and the catalyst of the ministry of the apostles and their non apostolic counterparts in the New Testament Nyende identifies the three components of pastoral ministry in the Bible as preaching and teaching the word caring for those in difficulty and facilitating worship thus providing readers with an exemplary framework for a truly biblical model of pastoral ministry This book is for pastors and theological students who seek to deepen their understanding of pastoral ministry by going beyond the mechanics of their everyday tasks and discovering the true goal and meaning that fuels their ministry **Good News in Acts** ,1977 **Teaching the Faith, Forming the Faithful** Gary A. Parrett,S. Steve Kang,2013-03-05 With the decline of traditional Sunday school and education programs in recent years many Christians have not learned the fundamental doctrinal content of the faith In this text Gary Parrett and Steve Kang set forth a thoroughly biblical vision for intentional teaching of the Christian faith that attends to both the content and process of educational and formational ministries *Faith Comes by Hearing* Christopher W. Morgan,Robert A. Peterson,2009-09-20 What about those who have never heard The debate swirls and feelings run deep What is the fate of the unevangelized The traditional position that apart from an explicit faith in Jesus no one is saved seems to have fallen out of favor with many evangelicals Here is a passionate but irenic response to the arguments of those who believe that the unevangelized can or might be saved apart from knowledge of Jesus Christ Building on the insights of others nine scholars introduce readers even those with little background to the ongoing discussion Key questions Is general revelation sufficient Are other religions salvific Do holy pagans exist Must faith be explicit Is exclusivism unjust are probed and answered from a biblical theological and historical perspective The book s positive thrust is summed up by editors Robert Peterson and Christopher Morgan God is passionately engaged in gathering people to know love and worship him from every tribe language people and nation And he has called us to join him on this mission **The Call** Cletus L.
