What and Where is

God? A Human Answer to the Deep Religious Cry of the Modern Soul Richard La Rue Swain, 2019-12-06 In *What and Where is God A Human Answer to the Deep Religious Cry of the Modern Soul* Richard La Rue Swain embarks on an intellectual and spiritual journey to address humanity's most pressing questions about the divine presence in an increasingly secular world. Through a blend of philosophical inquiry and introspective reflection Swain offers a unique synthesis of contemporary religious thought analyzing the ways modernity has shaped our understanding of God. The book is marked by its accessible literary style inviting readers to engage with profound theological concepts in a manner that resonates with the lived experiences and struggles of today's society. Richard La Rue Swain a noted scholar in the fields of theology and philosophy draws upon a rich background of academic exploration and personal experience in articulating his views. His diverse educational pursuits and deep engagement with both historical and modern religious practices inform his analysis enabling him to present a compelling argument that juxtaposes human longing with the quest for understanding divine existence. Swain's insights emerge from decades of reflection on the intersection of faith and reason positioning him as a credible voice in contemporary theological discourse. This book is highly recommended for readers seeking to reconcile their spiritual questions with the complexities of modern life. Whether one identifies as religious spiritual or secular Swain's thoughtful examination offers a framework for understanding the divine in a way that is both relatable and profound. Engage with this thoughtful work to deepen your own exploration of faith and existence. **Leo Strauss on Plato's "Protagoras"** Leo Strauss, 2022-05-20 A Seminar on Plato's Protagoras offers the transcript of Leo Strauss's seminar on Plato's Protagoras edited and introduced by the renowned scholar Robert Bartlett. While Strauss regarded himself as a Platonist and published some work on Plato including his last book he published little on the dialogues. Gross, 1993-01-01 This book surveys both the part women have played in Buddhism historically and what Buddhism might become in its post patriarchal future. The author completes the Buddhist historical record by discussing women usually absent from histories of Buddhism and she provides the first feminist analysis of the major concepts found in Buddhist religion. Gross demonstrates that the core teachings of Buddhism promote gender equity rather than male dominance despite the often sexist practices found in Buddhist institutions throughout history. Buddhism and Human Flourishing Seth Zuihō Segall, 2020-02-27 The Buddha and Aristotle offer competing visions of the best possible life to which

human beings can aspire In this volume Seth Zuih Segall compares Therav da and Mah y na accounts of enlightenment with Aristotelian and neo Aristotelian accounts of eudaimonia and proposes a syncretic model of eudaimonic enlightenment that given prevalent Western beliefs about well being and human flourishing provides a credible new end goal for modern Western Buddhist practice He then demonstrates how this proposed synthesis is already deeply reflected in contemporary Western Buddhist rhetoric Segall re evaluates traditional Buddhist teachings on desire attachment aversion nirv a and selfhood from the eudaimonic enlightenment perspective and explores the perspective s ethical and metaphysical implications
