

structured, how extensive and how significant were Jesuit economic activities in colonial America? What was the relationship between the Paraguayan Jesuit province and the top leadership of the Jesuit order? What service did the Paraguayan Jesuits really provide to the Roman Catholic Church by means of their stubborn struggle to maintain their power in South America?

WARREN SCHIFF

The Good Neighbor Policy and Authoritarianism in Paraguay. By Michael Grow. (Lawrence: The Regents Press of Kansas, 1981. Pp. xi, 163. Illustrations. Table & Graph. Notes. Bibliography. Index. \$20.00.)

This short book is an extremely well-done case study of U.S.-Paraguayan relations in the early 1940s. The subject is complex, for it involves on one level the rivalry between the United States and Germany for paramountcy in Latin America, while on another level it deals with the rivalry between liberals and nationalists inside Paraguay. These two contests were connected, of course, because Paraguayan nationalists tended to sympathize with Germany, while liberals wanted closer relations with the United States. Grow is able to produce a certain drama from his study by describing the diplomatic maneuvering between General Higinio Morínigo, Paraguay's nationalist president, and the Roosevelt administration. Although anti-American and pro-Axis, Morínigo was forced by circumstances to operate within a hemispheric system dominated by the United States. At the same time, the United States had to swallow its distaste for Morínigo and coax him into cooperation with economic aid.

Grow has made extensive use of State Department papers in his research. He handles his materials with expertise, and his writing is always clear. He steers the reader through a complicated thicket of diplomatic stratagems and cross-pressures without ever losing him. The result is a very valuable study of Paraguayan politics during World War II and the immediate postwar period. The only serious criticism I might make of the study is that I would like to have seen Grow explore more thoroughly the role Argentina and Brazil played in shaping Morínigo's responses to American policy. Students of Paraguayan politics are aware that those two giant neighbors are often in a better position to influence events in that country than are more powerful but distant actors like the United States, Germany, or Britain. Paraguay was practically an economic satellite of Argentina at this time, and Argentina was clearly out to frustrate U.S. policy. To what extent, then, was Argentina able to bolster pro-Axis elements in Paraguay to keep her on a neutral course until the end of the war? Conversely, did the United States ever use Brazil to exert counter-pressure?

Perhaps the most interesting part of the book in Grow's treatment of General Morínigo, who usually has been described by both American and Paraguayan writers as a brutal, reactionary dictator. Grow presents him in a more favorable

Good Neighbor Policy And Authoritarianism In Paraguay

Gary McMahon, Juan Antonio Morales

Good Neighbor Policy And Authoritarianism In Paraguay:

The Good Neighbor Policy and Authoritarianism in Paraguay Michael Grow,1981 **The Good Neighbor Policy and Authoritarianism in Paraguay** Michael Grow,1981 Paraguay and the United States Frank O. Mora,Jerry Wilson Cooney,2010-10 Ranging from the 1840s through the early twenty first century this study of shared political economic and cultural histories fills significant gaps in our understanding of Paraguayan U S relations Frank O Mora and Jerry W Cooney tell how an initially rocky beginning between the two countries marked by diplomatic posturing shows of military force and failed business schemes gave way to a calmer period during which the United States backed Paraguay s territorial claims against its neighbors prospects grew brighter for American entrepreneurs and Paraguay embraced Pan Americanism It was not until the 1930s that the two countries engaged in earnest as the United States attempted to mediate the Chaco War between Paraguay and Bolivia Then as the authors write hemispheric solidarity in World War II the cold war in Latin America the balance of power among states in the R o de la Plata and the question of U S support for or aid to Latin American dictators became matters of mutual interest The dictatorship of Alfredo Stroessner 1954 89 spanned much of this era and a shared attitude of realpolitik typified U S Paraguayan relations during his rule Post Stroessner the United States has stood by Paraguay during its transition to democracy despite lingering concerns about such issues as drug trafficking and intellectual piracy The countries should grow closer with time the authors conclude if Paraguay resists the continent s leftward political shift and remains a solid partner in U S antiterror initiatives in South America A Companion to Franklin D. Roosevelt William D. Pederson,2011-03-21 A Companion to Franklin D Roosevelt presents a collection of historiographical essays by leading scholars that provides a comprehensive review of the scholarship on the president who led the United States through the tumultuous period from the Great Depression to the waning days of World War II Represents a state of the art assessment of current scholarship on FDR the only president elected to four terms of office and the central figure in key events of the first half of the 20th century Covers all aspects of FDR s life and times from his health relationships and Supreme Court packing to New Deal policies institutional issues and international relations Features 35 essays by leading FDR scholars Paraguay Riordan Roett,Richard S Sacks,2019-06-04 The shots fired during the early morning hours of February 3 1989 at the Asuncion headquarters of the presidential escort battalion presented the planet with its first blood and steel evidence that the year would be recorded like 1848 as one of universal human liberation The deposed government of Alfredo Stroessner had held power in Paraguay for close to 35 years a political longevity then surpassed only by Bulgaria s Todor Zhivkov North Korea s Kim Il song and Jordan s King Hussein Nazis and Good Neighbors Max Paul Friedman,2003-08-04 This international history uncovers an American security program in which Washington reached into fifteen Latin American countries to seize more than 4 000 German expatriates and intern them in the Texas desert The crowd of Nazi Party members antifascist exiles and even Jewish refugees were lumped together in camps riven by strife The book

first published in 2003 examines the evolution of governmental policy its impact on individuals and emigrant communities and the ideological assumptions that blinded officials in both Washington and Berlin to Latin American realities Franklin Roosevelt's vaunted Good Neighbor policy was a victim of this effort to force reluctant Latin American governments to hand over their German residents while the operation ruined an opportunity to rescue victims of the Holocaust This study makes a very contemporary argument that security measures based on group affiliation rather than individual actions are as unjust and ineffective in foreign policy as they are in law enforcement

The Second Century Mark T. Gilderhus, 2000 The Second Century U S Latin American Relations since 1889 focuses on U S relations with Latin America during the second century a period bounded by the advent of the New Diplomacy late in the nineteenth century and the end of the Cold War about one hundred years later This text provides a balanced perspective as it presents both the United States's view that the Western Hemisphere needed to unite under a common democratic capitalistic society and the Latin American countries response to U S attempts to impose these goals on their southern neighbors This book examines the reciprocal interactions between the two regions each with distinctive purposes outlooks interests and cultures It also places U S Latin American relations within the larger context of global politics and economics The Second Century is an excellent text for courses in Latin American history and diplomatic history

Exiled Among Nations John P. R. Eicher, 2020-01-02 Explores how religious migrants engage with the phenomenon of nationalism through two groups of German speaking Mennonites

Sugar and Power in the Dominican Republic Michael R. Hall, 2000-01-30 A study of the powerful impact that sugar had on U S Dominican relations as the primary vehicle of reciprocal manipulation from 1958 to 1962 Sugar and Power examines the development of the sugar industry in the Dominican Republic Hall uncovers new evidence that supports the belief that U S Latin American relations during this period were frequently a two way street with the United States reacting to Latin American initiatives just as frequently as Latin Americans responded to American initiatives Both Eisenhower and Kennedy used sugar quota legislation as a foreign policy tool At the same time the Trujillo regime played upon Washington's fear of communism in response to the Cuban revolution to obtain an expanded sugar quota Drawing heavily on U S and Dominican government documents this study argues that the U S initiated economic sanctions against Trujillo to gain hemispheric support against Castro's Cuban revolution Kennedy expanded those sanctions in an attempt to push the Dominican Republic along the path toward democracy Although Juan Bosch's election at the end of 1962 and the allotment of a generous sugar quota indicated the apparent success of U S foreign policy toward the Dominican Republic the overthrow of Bosch in 1963 indicated that the path toward democracy was longer than American policy makers had anticipated This case study in the role of economic coercion in U S Latin American relations during the Cold War tries to present a balanced account of both sides of the story

The Oxford Handbook of Historical Institutionalism Orfeo Fioretos, Tulia G. Falletti, Adam Sheingate, 2016-03-17 The Oxford Handbook of Historical Institutionalism offers an authoritative and accessible state of the

art analysis of the historical institutionalism research tradition in Political Science Devoted to the study of how temporal processes and events influence the origin and transformation of institutions that govern political and economic relations historical institutionalism has grown considerably in the last two decades With its attention to past present and potential future contributions to the research tradition the volume represents an essential reference point for those interested in historical institutionalism Written in accessible style by leading scholars thirty eight chapters detail the contributions of historical institutionalism to an expanding array of topics in the study of comparative American European and international politics

Economic Policy and the Transition to Democracy Gary McMahon, Juan Antonio Morales, 2015-12-22 In the 1980s a large number of Latin American countries reverted from military dictatorships to civilian democracies In most cases the new democratic governments inherited an extremely precarious economic situation which left little room to manoeuvre This book analyzes the special problems that governments face in the formulation and implementation of economic policy after the restoration of democracy In each of six cases Argentina Bolivia Brazil Chile Paraguay and Uruguay an analysis is made of the difficulties encountered and the performance of the democratic governments

A Companion to Post-1945 America Jean-Christophe Agnew, Roy Rosenzweig, 2008-04-15 A Companion to Post 1945 America is an original collection of 34 essays by key scholars on the history and historiography of Post 1945 America Covers society and culture people and movements politics and foreign policy Surveys and evaluates the best scholarship on every important era and topic Includes book review section on essential readings

The History of American Foreign Policy from 1895 Jerald A. Combs, 2015-02-12 This important text offers a clear concise and affordable narrative and analytical history of American foreign policy since the Spanish American War The book narrates events and policies but goes further to emphasize the international setting and constraints within which American policy makers had to operate the domestic pressures on those policy makers and the ideologies preferences and personal idiosyncrasies of the leaders themselves

A Companion to American Foreign Relations Robert Schulzinger, 2008-04-15 This is an authoritative volume of historiographical essays that survey the state of U S diplomatic history The essays cover the entire range of the history of American foreign relations from the colonial period to the present They discuss the major sources and analyze the most influential books and articles in the field Includes discussions of new methodological approaches in diplomatic history

Global Governance, Poverty and Inequality Rorden Wilkinson, Jennifer Clapp, 2010-06-10 A series of crises unfolded in the latter part of the first decade of the 21st Century which combined to exacerbate already profound conditions of global economic inequality and poverty in the world's poorest countries In 2007 the unsound lending practices that caused a collapse in the US housing market ushered in a broader economic crisis that reverberated throughout the global financial system This economic shockwave had a global impact triggering not just instability in other industrialized countries but also in their developing world counterparts also highlighting deficiencies in the current structures of global governance to protect the world's poorest and most

disadvantaged This book offers answers to questions raised about the role of global governance in the attenuation and amelioration of world poverty and inequality The contributors interrogate the role of systems of governance at a time of global economic crisis and continuing environmental degradation against a backdrop of acceleration in inequalities within and between communities and across the globe Evaluating how existing systems can be reformed or redesigned to be more effective at addressing issues of poverty and inequality and providing a comprehensive discussion of a wide range of global governance initiatives this work will be essential reading for students and scholars of global governance international relations and international organizations Handbook Of Research On The International Relations Of Latin America And The Caribbean G. Pope Atkins, 2018-02-12

The study of Latin American and Caribbean international relations has a long evolution both within the development of international relations as a general academic undertaking and in terms of the particular characteristics that distinguish the approaches taken by scholars in the field This handbook provides a thorough multidisciplinary reference guide to the literature on the various elements of the international relations of Latin America and the Caribbean Citing over 1600 sources that date from the nineteenth century to the present with emphasis on recent decades the volume's analytic essays trace the evolution of research in terms of concepts issues and themes The Handbook is a companion volume to Atkins Latin America and the Caribbean in the International System Fourth Edition but also serves as an invaluable stand alone reference volume for students scholars researchers journalists and practitioners both official and private

History of American Foreign Policy, Volume 2 Jerald A Combs, 2017-07-28 First Published in 2017 Now thoroughly updated this respected text provides a clear concise and affordable narrative and analytical history of American foreign policy from the revolutionary period to the present This is Volume II and is from 1895 The historiographical essays at the end of each chapter have been revised to reflect the most recent scholarship The History of American Foreign Policy chronicles events and policies with emphasis on the international setting and constraints within which American policy makers had to operate the domestic pressures on those policy makers and the ideologies preferences and personal idiosyncrasies of the leaders themselves Arming the Free World Chester J. Pach Jr., 2018-11-15

In this important study Chester Pach traces the emergence of military assistance as a major instrument of contemporary American foreign policy During the early Cold War arms aid grew from a few country and regional programs into a worldwide effort with an annual cost of more than 1 billion Pach analyzes the Truman administration's increasing reliance on arms aid for Latin America Greece and Turkey China and Western Europe to contain Communist expansion during the late 1940s He shows that a crucial event was the passage of the Mutual Defense Assistance Act of 1949 the progenitor of a long series of global Cold War arms measures Pach demonstrates that the main impetus for the startling growth of military assistance was a belief that it would provide critical political and psychological reassurance to friendly nations Although this aid was ostensibly provided for military purposes the overriding goals were insuring goodwill raising foreign morale stiffening the will to resist

communism and proving American resolve and reliability Policymakers Pach contends confused means with ends by stressing the symbolic importance of furnishing aid They sought additional appropriations with the threat that any diminution or cessation of aid suggested a weakening of American commitment Pach reveals that civilian not military officials were the principal advocates of the expansion of military aid and he shows how the policies established during the Truman administration continued to exert a profound influence throughout the Cold War Some officials questioned the self-perpetuating qualities of military aid programs but Pach concludes that their warnings went unheeded Although fiscal restraints in the Truman administration temporarily stemmed the growth of aid the Korean War exploded budgetary limitations Military assistance spending expanded rapidly in size and scope gaining a momentum that succeeding administrations could not resist Originally published in 1991 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *International Politics and Institutions in Time* Orfeo Fioretos, 2017-04-05

International Politics and Institutions in Time is the definitive exploration by a group of leading international relations scholars of the contribution of the historical institutionalism tradition for the study of international politics Historical institutionalism is a counterpoint to the rational choice and sociological traditions of analysis in the study of international institutions bringing particular attention to how timing and sequence of past events path dependence and other processes impact distributions of global power policy choices and the outcome of international political battles This book places particular emphasis on the sources of stability and change in major international institutions such as those shaping state sovereignty and global governance including in the areas of international organization law political economy human rights environment and security Featuring work by pioneering scholars the volume is the most comprehensive collection to date on historical institutionalism in IR It is projected to be of interest to multiple audiences including the international relations community to historians especially as that field is experiencing its own international and global turns as well as sociologists and economists who work on institutions and international affairs

Term Paper Resource Guide to Twentieth-Century United States History Ron Blazek, Teri Maggio, Robert Muccigrosso, 1999-05-30 Students will write more effective term papers with this guide to 500 term paper ideas as well as a listing of appropriate print and nonprint sources on twentieth century U S history This guide presents entries on 100 of the most important events and developments in twentieth century U S history organized in chronological order Each entry consists of a short description of the event followed by five specific suggestions for term papers about the event and a wide ranging annotated bibliography of 15 35 books articles videos and a web site appropriate for student research In every case the emphasis is on recent and up to date material as well as landmark works and primary sources Every entry contains a video and concludes with a recommended web site producing a

Good Neighbor Policy And Authoritarianism In Paraguay Introduction

In today's digital age, the availability of Good Neighbor Policy And Authoritarianism In Paraguay books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Good Neighbor Policy And Authoritarianism In Paraguay books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Good Neighbor Policy And Authoritarianism In Paraguay books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Good Neighbor Policy And Authoritarianism In Paraguay versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Good Neighbor Policy And Authoritarianism In Paraguay books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Good Neighbor Policy And Authoritarianism In Paraguay books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Good Neighbor Policy And Authoritarianism In Paraguay books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Good Neighbor Policy And Authoritarianism In Paraguay books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Good Neighbor Policy And Authoritarianism In Paraguay books and manuals for download and embark on your journey of knowledge?

FAQs About Good Neighbor Policy And Authoritarianism In Paraguay Books

1. Where can I buy Good Neighbor Policy And Authoritarianism In Paraguay books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
