**Poetry of the Second World War** Tim Kendall, 2024-09-25 The Second World War is now recognized as a watershed for British poetry The changes that arose were masked for some time by the enormous power and shock of the conflict itself and by the restrictions on poetry publishing consequent on paper rationing and the general business of wartime This anthology seeks to showcase not only the harrowingly beautiful poetry born from the conflict but also the radical changes to style and form that came from the epoch and altered the face of British poetry Featuring generous selections of famous poets including Dylan Thomas T S Eliot and W H Auden alongside works by civilians and soldiers the collection offers a symphony of different voices all connected in their shared experience of the Second World War Tim Kendall's introduction charts the history of the war poets reception explaining their relationship with their First World War predecessors and some of the reasons why they have never managed to reach such a wide audience The work of each poet is prefaced with a biographical account which allows poems to be read in their historical context and every poem is annotated with date of composition publication history and a gloss of words and allusions

Walking with Ghosts Gabriel Byrne, 2021-01-12 A masterpiece poetic moving and very funny find it on the shelf alongside other great Irish memoirs including those by Frank McCourt Nuala O Faolain and Edna O'Brien Colum McCann As a young boy growing up in the outskirts of Dublin Gabriel Byrne sought refuge in a world of imagination among the fields and hills near his home at the edge of a rapidly encroaching city Born to working class parents and the eldest of six children he harbored a childhood desire to become a priest When he was eleven years old Byrne found himself crossing the Irish Sea to join a seminary in England Four years later Byrne had been expelled and he quickly returned to his native city There he took odd jobs as a messenger boy and factory laborer to get by In his spare time he visited the cinema where he could be alone and yet part of a crowd It was here that he could begin to imagine a life beyond the grey world of 1960s Ireland In this memoir he revels in the theater and poetry of Dublin's streets populated by characters as eccentric and remarkable as any in fiction and recounts his decision to join an amateur theater group a decision that would change his life forever Moving between sensual recollection of childhood in a now almost vanished Ireland and reflections on stardom in Hollywood and on Broadway Byrne also courageously recounts his battle with

addiction and the ambivalence of fame Byrne writes with much more depth than the typical celebrity memoirist accessing some of Heaney's earthiness and Joyce's grasp of how Catholic guilt can shape an artist a winning dry humor that reads as authentically humble Kirkus Reviews starred review A gripping memoir that is anything but typical Hollywood evokes a beautiful sense of nostalgia melancholy and vulnerability Winnipeg Free Press A real writer a born storyteller The Washington Post A dreamy book He writes passionately about his first love and hilariously about his early fame as an actor Irish Times *Dialogues of the World of Nature* G. Azzi John G. Azzi, 2010-04 Personified dialogues of various entities from our natural world discussing arguing commenting on every day life's emotional physical intellectual contingencies
