## **Gordons Print Price Annual 1987:**

**Gordon's Print Price Annual** ,1993      **Henry Moore Bibliography: 1986-1991, together with supplementary 1898-1986 publications** ,1992      Publishers Directory ,1998      *Art Market Research* Tom McNulty,2013-12-27 This book is for art market researchers at all levels A brief overview of the global art market and its major stakeholders precedes an analysis of the various sales venues auction commercial gallery etc Library research skills are reviewed and advanced methods are explored in a chapter devoted to basic market research Because the monetary value of artwork cannot be established without reference to the aesthetic qualities and art historical significance of our subject works two substantial chapters detail the processes involved in researching and documenting the fine and decorative arts respectively and provide annotated bibliographies Methods for assigning values for art objects are explored and sources of price data both in print and online are identified and described in detail In recent years art historical scholarship increasingly has addressed issues related to the history of art and its markets a chapter on resources for the historian of the art market offers a wide range of sources Finally provenance and art law are discussed with particular reference to their relevance to dealers collectors artists and other art market stakeholders      Henry Moore Bibliography: Index 1898-1991, Concordance. Together with a selection of monographs, and a checklist of Henry Moore's library with a commentary ,1992      Subject Guide to Books in Print ,1997

**Art Information and the Internet** Lois Swan Jones,2013-12-16 In the first book of its kind art information expert Lois Swan Jones discusses how to locate visual and textual information on the Internet and how to evaluate and supplement that information with material from other formats print sources CD ROMS documentary videos and microfiche sets to produce excellent research results The book is divided into three sections Basic Information Formats Types of Websites and How to Find Them and How to Use Web Information Jones discusses the strengths and limitations of Websites scholarly and basic information resources are noted and search strategies for finding pertinent Websites are included Art Information and the Internet also discusses research methodology for studying art historical styles artists working in various media individual works of art and non Western cultures as well as art education writing about art problems of copyright and issues concerning the buying and selling of art This title will be periodically updated      **The Measurement of Durable Goods Prices** Robert J. Gordon,2007-12-01 American business has recently been under fire charged with inflated pricing and an inability to compete in the international marketplace However the evidence presented in this volume shows that the business community has been unfairly maligned official measures of inflation and the standard of living have failed to account for progress in the quality of business equipment and consumer goods Businesses have actually achieved higher productivity at lower prices and new goods are lighter faster more energy efficient and more reliable than their predecessors Robert J Gordon has written the first full scale work to treat the extent of quality changes over the entire range of durable goods from autos to aircraft computers to compressors from televisions to tractors He combines and extends existing methods of measurement drawing

data from industry sources Consumer Reports and the venerable Sears catalog Beyond his important finding that the American economy is more sound than officially recognized Gordon provides a wealth of anecdotes tracing the postwar history of technological progress Bolstering his argument that improved quality must be accurately measured Gordon notes for example that today s mid range personal computers outperform the multimillion dollar mainframes of the 1970s This remarkable book will be essential reading for economists and those in the business community
