Gospel According To Tolstoy:

The Gospel in Brief Leo Tolstoy, Dustin Condren, 2011-02-15 The greatest novelist of all time retells the greatest story ever told the life of Jesus Christ in *The Gospel in Brief* Leo Tolstoy's riveting novelistic integration of the four Gospels into a single twelve chapter narrative Virtually unknown to English readers until now Dustin Condren's groundbreaking translation from the Russian opens a precious new world of Tolstoy's masterful literary talent to fans of *War and Peace* and *Anna Karenina* **The Gospel in Brief** graf Leo Tolstoy, 1896 *The Gospel According to Tolstoy* graf Leo Tolstoy, 1992 From 1879 until his death in 1910 Tolstoy embarked on a spiritual journey a search for God and the nature of truth that became the dominant theme of his life and subsequent writings Publisher [The Gospel In Brief \(EasyRead Comfort Edition\)](#) ,

The Gospels in Brief graf Leo Tolstoy, 2004 Seeking answers to the problem of life Tolstoy reinterpreted the first four books of the New Testament to create a single integrated version of Christ's philosophy The Russian author disregarded issues related to Jesus's divinity focusing strictly on his words and teachings for a remarkably modern meditation on spirituality **The Gospel in Brief** Leo Tolstoy, 2020-09-22 In *The Gospel in Brief* the great Russian novelist Leo Tolstoy offers his retelling of the Gospels of Matthew Mark Luke and John Through his poetic and moving account of the life of Jesus we witness the power of Tolstoy's narrative range as well as the spiritual depth of these Biblical Gospels Perhaps no novelist has been better qualified to offer his imaging of the birth life and death of Jesus Christ Leo Tolstoy in his later life became a deeply religious man writing a prolific amount on Christian spirituality and religious mysticism *The Gospel in Brief* skillfully envisions the Bible as literature lending his singular gifts as a novelist to perhaps the most important book in all of Western Civilization Though Tolstoy never moves far away from his original sources and his rewriting of the life of Jesus only enhances and makes more real the historical and spiritual world of Jesus *The Gospel in Brief* is essential reading for students of religion as well as fans of world literature This edition is printed on premium acid free paper **The Gospel According to Tolstoy** Count Leo Nikolayevich Tolstoy, Leo Tolstoy, 1992-12-01 [The Gospel in Brief](#) Leo Nikolayevich Tolstoy, 2010-03-01 Originally published New York Thomas Y Crowell Co 1899 **The Little Gospel** graf Leo Tolstoy, 1987 This book is not just a story told by one of the world's greatest storytellers The real story here is Leo Tolstoy's stubborn insistence on uncovering what was said and what happened It wasn't the first time that Tolstoy stood alone In writing this book he attacks Christ centered churches for their one big lie the claim that the Bible the whole Bible is sacred This claim has led Christians ever since in the wrong direction and he describes why The Russian Orthodox Church responded by excommunicating Tolstoy A hundred years have passed since Tolstoy produced this little book Christian churches still abound each basing itself on a truth that denies truth to other churches and sects Tolstoy did not limit his accusation to the Russian Orthodox Church though as a Russian he naturally focuses on its peculiarities in his preface Tolstoy's synoptic Gospel was a bombshell when it was written The book was banned in Russia even before publication consequently its first edition was

printed in Switzerland by an exile Russian press in an incomplete version. Translations aplenty followed but in Russia itself this book was not officially available. Tolstoy himself was not surprised at the book banning. In his study of the Christian tradition Tolstoy had found that religion was indeed alive but not in the churches. It was alive in the fields in the faith of the common people, the serfs and peasants of Russia. And it was for them that Count Leo Tolstoy abandoned writing his great novels to uncover the truth of Jesus teaching as much as may now be known of it from the generally accepted gospel accounts. His method was simple: Throw out the garbage. That meant specifically the parts that have nothing whatsoever to do with Jesus teaching, all the miracle stories that had been added to win over the doubtful, all the interpretations of one point of view or another that were added later, especially those of Paul, and any suggestion of a resurrection. One churchly principle that Tolstoy demolished was the idea that most of the books of the Bible had anything to do with Jesus other than to justify after the fact an old Jewish prophetic tradition, namely, Messiahship, that Jesus himself did not consider important. Especially noxious to Tolstoy was the notion that the Bible was sacred, the Word of God. In the course of history, great wrongs have been committed in the name of Christianity based on one or another passage found in the Bible, a book which after all tells the stories of a thousand years of the ethical development of a barbarous people. In Tolstoy's view, this Bible holiness is simply a perversion. Tolstoy's uncompromising mind brought him to conclusions not shared by the great majority of his fellows; this in no way distracted him but rather deepened his commitment toward humanity. Struggling in the same social ferment of injustice in Russia that gave rise to Nihilism, Anarchism, and Communism, Tolstoy and Tolstoyan Christians worked to solve social problems with a religious answer. History took a different turn but the influence of Tolstoy in the last years of his life was enormous and worldwide. In this translation I have relied throughout on the Soviet Complete Written Works of Tolstoy, Volume 24, published in Moscow during Khrushchev's Thaw period in 1957 under the auspices of the State Editorial Commission. This book of Tolstoy's is a great humanist document in which an uncompromising mind brings freshness to a great human teaching.

The Gospel in Brief - Tolstoy's Life of Christ (Aziloth Books) Leo Tolstoy, Aylmer Maude, 2016-07-14

Leo Tolstoy is famous the world over for his epic novels of Russian history and society. But during the last 30 years of his life Tolstoy devoted himself to spiritual matters in an attempt to return Christianity to the fundamental teachings of Christ, shorn of both biblical additions and interpolations and the obfuscating hand of Church dogma. *The Gospel in Brief* is the culmination of this long endeavour, a composite account taken only from the Four Gospels. Working with the oldest original Greek versions, Tolstoy set aside all accounts of miracles, genealogies, and prophecies, seeking the core philosophy of Jesus of Nazareth and a solution in the words of Christ himself to the problem of life. The result is a compelling account of a teacher whose basic message was the Unity of all existence. God is the giver of life and within all things. For Tolstoy, acknowledgement of this central fact that the Kingdom of God is Within You, immanent in all existence, bestows liberation from the illusions of time and selfhood and makes easy Christ's admonition to love God and your neighbour as

yourself The Aziloth edition is fully annotated allowing each section of Tolstoy's compilation to be related directly to the relevant Gospel passage A book that will uplift and give new direction to both Christian and agnostic alike *Understanding the Gospel of Jesus Christ* Leo Tolstoy, 2018-09-28 During the last 15 or so years of Leo Tolstoy's life he more concentrated on his interpretation of the Gospels and Jesus' life as applicable to the Russian family society and state of his era They would also summarize his ideology from his decades of Bible study This volume is a compilation of some of his compositions of this era The first is Exposition of Christ's Teaching for Children a Sunday School level instruction divided into 52 chapters of Jesus' life and teachings that Tolstoy compiled for the peasant children of his estate school Then is his Christian Teaching aimed primarily for adults It deals with the sins of the era and creating a better society Next is the Gospels in Brief Tolstoy's paraphrase of the Gospels in chronological order and which formed the bases for the children's lessons The final two are Love One Another and Believe in Yourself that Tolstoy wrote for the young audience Daniel H Shubin has translated much of Tolstoy and other Russian writers into English

Tolstoy's Translation of the Gospels David Matual, 1992 This is a detailed study of Tolstoy's Soedinenie i Perevod Chetyrekh Evangelii Union and Translation of the Four Gospels a work he regarded as his finest and most important scholarly endeavour One of the theses of this book is that Tolstoy's gospel did not lead to his religious views but that his views gave rise to his gospels

Tolstoy's Political Thought Alexandre Christoyannopoulos, 2019-08-29 Leo Tolstoy 1828-1910 besides writing famous novels such as War and Peace also wrote on political issues especially later in his life putting forward a political philosophy which might be termed Christian anarchism This book provides a comprehensive overview of Tolstoy's political thought It outlines in a systematic way Tolstoy's thought which was originally articulated unsystematically in diverse often informal writing such as pamphlets letters and speeches as well as books and in his novels where Tolstoy's thinking is put forward implicitly through the novels' characters The book sets out the basic themes of Tolstoy's political thought his acceptance of the teachings of Jesus his criticism of the way in which Jesus' teachings have been relayed by the church through traditional creeds and dogma his passionate rejection of political violence by both the state and those working for reform his plea for a nonviolent response to violence and injustice and his call for society to forego its institutional shackles and enact a community of peace love and justice The book also includes background information on the Russia of Tolstoy's time including the religious context and a discussion of how Tolstoy's political thought has been received by his admirers who included Gandhi and his critics

Tolstoy's Search for the Kingdom of God Javier Sethness Castro, 2025-03-11 Building on its predecessor *Queer Tolstoy: A Psychobiography* 2023 this book uncovers queer anarchist dimensions of the second half of Count Lev Nikolaevich Tolstoy's life 1828-1910 and of the Russian writer's later art works It features queer friendly readings of *Anna Karenina* 1875-1877 *The Gospels In Brief* 1881 *The Death of Ivan Ilych* 1886 *The Kreutzer Sonata* 1889 *Master and Man* 1895 and *Resurrection* 1899 among other classics However the argument does not overlook the gross misogyny expressed by Tolstoy in either his art or his marriage with

Countess Sofia Andreevna Tolstaya Rather the author explores the fundamental contradictions between sexism and anti authoritarianism while critiquing Tolstoy s self defeating commitment to patriarchy The text also praises the writer s late turn toward preaching Christian anarchism as it traces aspects of Tolstoy s artistic and political resonance in the twentieth century including pacifist plant based communes the Russian and Mexican Revolutions the Bloomsbury Group the Catholic Worker and Soviet era hippies
