Gospel Way Of Life:

Living the Gospel as a Way of Life James R. Jones, 2014-10-01 Today's secular media tends to label Catholic culture as a throwback an anachronism in the modern world out of step and out of touch Whether you are single or married with children or without consecrated or laity new to the faith or a long time parishioner Living the Gospel as a Way of Life will show you how building a Catholic culture is both possible and relevant for today This marvelous timely book provides practical wisdom for those who yearn to build or rebuild a Catholic Christian culture in their homes religious orders or parishes Living the Gospel as a Way of Life leads one to reflect seriously on the very personal call to live as a disciple of Jesus and to do so within a relationship with others At the heart of this book is the positive challenge to live the Gospel as a way of life We are called to reflect on the question what is the proper orientation of a person's life if we are focused rightly on loving God first by living in relationship with others While honestly facing the truth that life takes a toll on all of us when we have learned in a positive way to live a repentant life we walk in the footsteps of Moses the Prophets John the Baptist and Jesus Christ In this book you will find helpful principles for developing a spiritual culture in your home and wherever you find yourself whether with one person or within the context of community life **The Gospel Way of Life** Rosena Marie, 1994

Franciscan Prayer Ilia Delio, 2022-03-08 Masterfully written and intensely enlightening Franciscan Prayer could very well be considered the essential handbook for all those seeking to pray and live the Franciscan way With exquisite execution Franciscan theologian Ilia Delio clearly outlines what it means to pray as a Franciscan Through her experience as a discalced Carmelite nun and then her transformation into Franciscan scholar Sister Delio brings to light the contemplative cosmic and evangelizing aspects of Franciscan prayer Everyone says Delio seems to know about Francis life his miracles his devotion to evangelization and his dedication to living a simple and humble life yet few know about his prayer life which seemed over the centuries to get lost in the paper shuffle between theologians followers and historical biographers It is through Clare of Assisi Delio asserts that we have insights into the Franciscan path of prayer Clare provides the road map of prayer for evangelical life she was able to do this because she lived under monastic rule while ardently desiring evangelical life Through Clare's letters and actions we find the rudiments of Franciscan prayer Gaze Consider Contemplate Imitate Delio also uses the insights of Saint Bonaventure as well as Saint Francis to fully show the meaning and purpose of prayer in the Franciscan tradition
