Groeschel, 2011-02-18 A Study of the History and Meaning of Personal Devotion to Jesus Christ for Catholic Orthodox and Protestant Christians The devotional life of Christians over the two millennia since Jesus birth has been one of motion changing and growing in response to the challenges presented to the Church the temperaments of newly baptized nations and controversies about how we can and should relate to God And yet the core of authentic Christian devotion has not changed it remains today as it was in the time of the Church Fathers the trusting and personal encounter with Christ that is both open and foundational to the life of all Christian believers In this book the well known spiritual writer and teacher Fr Benedict Groeschel C F R surveys the development and trials of Christian devotion from the days of the martyrs until the twentieth century Tracking it through the centuries and among sadly divided branches of Christianity he finds a commonality of experience and even of language that is constantly ignored among Christians themselves By observing what image of Christ the canvas of common devotion portrays he hopes we will move not to discredit this image but to sharpen it and make it more consistent with the New Testament and the ancient Church Though the devotional life is sometimes brushed off as unimportant in comparison to a theological understanding of Christ Groeschel warns that such dismissal threatens to make distant unknown and obscure the Savior who said I am with you always The answer instead is to draw near to Jesus in devotion and with authentic expressions of that devotion which themselves help paint the image of Christ found concretely in revelation onto the minds and daily life of the devout Begun on a pilgrimage to the Holy Land and the result of years of preparation and a whole life of guiding

people as priest public preacher psychologist and spiritual director this book will help Catholic Orthodox and Protestant believers gain not only a comprehensive view of how pious Christians over the centuries have lived out their devotion to God but the examples and perspective they need to live more devoutly today      **The Process of Buddhist-Christian Dialogue** Paul O Ingram, 2011-09-29 While process philosophers and theologians have written numerous essays on Buddhist Christian dialogue few have sought to expand the current Buddhist Christian dialogue into a trilogy by bringing the natural sciences into the discussion as a third partner This was the topic of Paul O Ingram's previous book Buddhist Christian Dialogue in an Age of Science The thesis of the present work is that Buddhist Christian dialogue in all three of its forms conceptual social engagement and interior are interdependent processes of creative transformation Ingram appropriates the categories of Whitehead's process metaphysics as a means of clarifying how dialogue is now mutually and creatively transforming both Buddhism and Christianity Drawing also on the work of theologian John Hicks and philosopher of science Imre Lakatos Ingram develops an understanding of Buddhist Christian dialogue in the context of a religious pluralism that is both open and dynamic and methodologically rigorous Wide ranging and full of insight The Process of Buddhist Christian Dialogue will be invaluable to scholars and students of comparative religion      **Reference Catalogue of Current Literature** , 1880

Encyclopedia of Catholicism Frank K. Flinn, 2007 Covers the key people movements institutions practices and doctrines of Roman Catholicism from its earliest origins Résumé de l'auteur      **Christian Faith and the Environment** Brennan R. Hill, 2007-03-16 Although the environmental crisis has been recognized as an international threat Christians attempt to reconcile their religious traditions and the earth are just beginning Christian Faith and the Environment challenges churches to take a stand for environmental concerns Hill explores how twentieth century theologians such as Karl Rahner Bernard Lonergan and Pierre Teilhard de Chardin have taught Christians to build bridges between Christianity and creation Examining sacramental rites church documents and feminist theological insights on ecology Hill outlines a Christian environmental spirituality and traces the ethical challenges posed by our new awareness of our environment
