Jesus and the Samaritan Woman J. Eugene Botha, 2014-04-09 This book deals with two aspects pertaining to the understanding of John On the one hand it examines the style of the Gospel and on the other hand it introduces for the first time in the study of the Fourth Gospel a comprehensive speech act reading of a Johannine discourse In the first chapter different approaches to Johannine style are identified and the deficiencies current in perceptions regarding style are indicated The second chapter deals with theoretical observations regarding the nature of style in terms of modern stylistics It is suggested that a possible paradigm for a comprehensive approach to style is speech act theory The next chapter contains a comprehensive speech act reading of John 4 1 42 Finally observations regarding style and understanding Johannine texts based on this speech act reading is given Not only does this study clarify the nature of Johannine style in more modern terms but it also gives an indication of the enormous possibilities this theory holds for enhancing New Testament exegesis
