

ECONOMIC RELATIONS BETWEEN NAZI GERMANY AND FRANCO'S SPAIN 1936–1945

CHRISTIAN LEITZ

OXFORD HISTORICAL MONOGRAPHS

Economic Relations Between Nazi Germany And Francos Spain 1936 1945

David A. Messenger

Economic Relations Between Nazi Germany And Francos Spain 1936 1945:

Economic Relations Between Nazi Germany and Franco's Spain Christian Leitz, 1996 This is the first comprehensive study of the economic relationship between Nazi Germany and Franco's Spain between the outbreak of the Spanish Civil War and the end of the Second World War It demonstrates how during the Spanish Civil War Hitler helped General Franco to victory but at the same time attempted to turn Spain into an economic colony

The Economic Relations Between Nazi Germany and Franco Spain, 1936-1945 Christian Leitz, 1994

German Foreign Policy, 1918-1945 Christoph M. Kimmich, 2013-03-14 Christoph Kimmich's German Foreign Policy 1918 1945 A Guide to Current Research and Resources is a comprehensive guide to archival resources and published materials on the foreign policy of Weimar and Nazi Germany It catalogues the archives libraries and research institutes both public and private that house important collections especially in Germany but also elsewhere in Europe and in the United States and describes their holdings terms of access and use and guides and inventories available German Foreign Policy 1918 1945 also includes a substantial annotated bibliography of published sources ranging from documentary series to significant contemporary accounts from memoirs to secondary works The bibliography reflects current scholarship and draws attention to works that are innovative and accessible It also describes the various series of the Nuremberg War Crimes Trial Records and the original trial documents available in archives and libraries The guide canvasses the vast and growing offering of materials on the Web digitized print materials archival inventories and source materials In order to expedite work in the archives the guide also explains the organization and functioning of the German foreign ministry between 1918 and 1945 and how it kept and stored its records This third edition offers new information on German archives many of which were consolidated and relocated after German reunification on recently discovered archival holdings and on materials posted on the Web It is a reference source for both established scholars and young researchers offering quick and efficient access to the voluminous research and research materials that are now available

Franco and Hitler Stanley G. Payne, 2008-01-01 Was Franco sympathetic to Nazi Germany Why didn't Spain enter World War II In what ways did Spain collaborate with the Third Reich How much did Spain assist Jewish refugees This is the first book in any language to answer these intriguing questions Stanley Payne a leading historian of modern Spain explores the full range of Franco's relationship with Hitler from 1936 to the fall of the Reich in 1945 But as Payne brilliantly shows relations between these two dictators were not only a matter of realpolitik These two titanic egos engaged in an extraordinary tragicomic drama often verging on the dark absurdity of a Beckett or Ionesco play Whereas Payne investigates the evolving relationship of the two regimes up to the conclusion of World War II his principal concern is the enigma of Spain's unique position during the war as a semi fascist country struggling to maintain a tortured neutrality Why Spain did not enter the war as a German ally joining with Hitler to seize Gibraltar and close the Mediterranean to the British navy is at the center of Payne's narrative Franco's only personal meeting with Hitler in 1940 to

discuss precisely this is recounted here in groundbreaking detail that also sheds significant new light on the Spanish government's vacillating policy toward Jewish refugees on the Holocaust and on Spain's German connection throughout the duration of the war

Hunting Nazis in Franco's Spain David A. Messenger, 2014-05-12 In the waning days and immediate aftermath of World War II Nazi diplomats and spies based in Spain decided to stay rather than return to a defeated Germany The decidedly pro German dictatorship of General Francisco Franco gave them refuge and welcomed other officials and agents from the Third Reich who had escaped and made their way to Iberia Amid fears of a revival of the Third Reich Allied intelligence and diplomatic officers developed a repatriation program across Europe to return these individuals to Germany where occupation authorities could further investigate them Yet due to Spain's longstanding ideological alliance with Hitler German infiltration of the Spanish economy and society was extensive and the Allies could count on minimal Spanish cooperation in this effort In *Hunting Nazis in Franco's Spain* David Messenger deftly traces the development and execution of the Allied repatriation scheme providing an analysis of Allied Spanish and German expatriate responses Messenger shows that by April 1946 British and American embassy staff in Madrid had compiled a census of the roughly 10 000 Germans then residing in Spain and had drawn up three lists of 1 677 men and women targeted for repatriation to occupied Germany While the Spanish government did round up and turn over some Germans to the Allies many of them were intentionally overlooked in the process By mid 1947 Franco's regime had forced only 265 people to leave Spain most Germans managed to evade repatriation by moving from Spain to Argentina or by solidifying their ties to the Franco regime and Spanish life By 1948 the program was effectively over Drawing on records in American British and Spanish archives this first book length study in English of the repatriation program tells the story of this dramatic chapter in the history of post World War II Europe

Spain and the Mediterranean Since 1898 Raanan Rein, 2013-09-13 This study focuses on Spain's shift of emphasis from Latin America to the Mediterranean basin after the loss of its last colonies in the New World in 1898 The contributors analyse the Mediterranean policies of Spain's different regimes

Franco Sells Spain to America N. Rosendorf, 2014-02-18 A groundbreaking study of the Franco regime's utilization of Hollywood film production in Spain American tourism and sophisticated public relations programs including the most popular national pavilion at the 1964 65 New York World's Fair in a determined effort to remake the Spanish dictatorship's post World War II reputation in the US

Britain and the Spanish Anti-Franco Opposition D. Dunthorn, 2000-10-06 After fascism's defeat in 1945 Britain did not cooperate with Franco's Spanish opponents to end his dictatorship This study demonstrates how divisions in the Spanish opposition were one factor but argues that Britain's strategic and commercial interests in Spain also acted as a disincentive Only when international pressure for sanctions threatened Iberian stability in 1947 did the British government turn to the Spanish opposition With the advent of the Cold War however the opposition became irrelevant to British needs and Franco's survival was guaranteed

Hitler and His Allies in World War Two Jonathan

Adelman,2020-03-25 In an area where in depth studies of Hitler s relations with Nazi Germany s allies and the failure of Nazi Germany to make more effective use of them during the war are scant this is a survey that looks at the Soviet Union Japan France Italy Spain Romania and Hungary and their relationship to Nazi Germany Using a comparative approach seven case studies examine themes such as co operation and resistance military and economic aid treatment of Jews relations with the enemies and the popular sentiment towards Germany Jonathan Adelman has provided students of the Second World War with a welcome mine of information and a unique perspective on a much studied topic **The Origins of World War Two**

Robert Boyce,Joseph A. Maiolo,2017-03-14 No issue in modern history has been more intensively studied or subject to wider interpretation than the origins of the Second World War A conflict involving three arguably four major aggressor Powers operating simultaneously but largely separately on two continents inevitably raises complex theories and debates Each participating power has its own history and each one must take account of various influences upon the behaviour of its soldiers and statesmen His wide ranging collection of original essays each by an international expert in their field covers all aspects of the subject and highlights the controversy that continues to characterise current thinking on the origins of the war Going beyond the usual Eurocentric approach Part I examines the roles of all seven of the Great Powers including Japan and the USA as well as the parts played by several of the lesser Powers such as Czechoslovakia Poland and China Part II contains chapters which explore key themes that cannot be fully understood within the context of any single country These themes include the role of ideology propaganda intelligence armaments economics diplomacy the neutral states peace movements and the social science approach to war Written in clear jargon free prose together these essays provide a comprehensive single volume text for students and teachers and are essential reading for all with an interest in the debates surrounding the causes of World War Two **Americans in a World at War** Brooke L. Blower,2023-08-01 Americans in a World at War

tells the panoramic and often surprising story of seven worldly Americans their personal histories their politics and the paths that led them to board a Pan American Airways seaplane bound for Lisbon in February 1943 When the Yankee Clipper crashed in the Tagus River it took numerous lives but left a paper trail that leads to a richer deeper understanding of Americans diverse global commitments during the first half of the twentieth century as well as how the Second World War would transform those engagements **Multinational Enterprise, Political Risk and Organisational Change** Neil

Forbes,Takafumi Kurosawa,Ben Wubs,2018-12-17 Hitherto the organization of international business has been studied mostly from a managerial point of view or by examining the relationship between firms and the economy Yet the development of the modern multinational firm the most important type of business organisation has been strongly influenced by the conflicts that bedeviled the twentieth century The volatile macroeconomic and political environments experienced by international business point to how important it is to study political risk Consequently Multinational Enterprise Political Risk and Organisational Change From Total War to Cold War breaks new ground it argues that non market elements and

historical context are key to understanding the way international business has been organised This edited volume offers an historical approach to analysing how multinational enterprise has developed over time and around the world through a series of well crafted chapters on important topics in international economic and business history written by authorities in their respective fields of study and research The study is based on the underlying premise that the coming of the two World Wars the devastating and long term consequences of such total wars and the ideological challenge of the Cold War acted as a pivot points in shaping the nature and character of multinational firms By examining such phenomena this study offers insights to anyone who has an interest in business economic or political history management and business studies or international relations Chapter 1 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

Complicated Complicity Martina Bitunjac, Julius H. Schoeps, 2021-06-21 Complicated Complicity is about the forms taken motives and spectrum of actions of European collaboration with the Nazis State authorities local military organizations and individual players in different countries and areas including France Scandinavia Lithuania Poland Ukraine Romania Hungary Slovakia Greece Italy Portugal and the countries of the former Yugoslavia are discussed in the context of the history of World War II the history of occupation and everyday life and as an essential influencing factor in the Holocaust New forms of right wing populism nationalism and growing intolerance of Jewish fellow citizens and minorities have made such historically sensitive studies considerably more difficult in many countries today In this time of increasing historical revisionism in Europe such elucidating discourse is particularly relevant

The Cambridge History of the Second World War: Volume 2, Politics and Ideology Richard Bosworth, Joseph Maiolo, 2015-04-23 War is often described as an extension of politics by violent means With contributions from twenty eight eminent historians Volume 2 of The Cambridge History of the Second World War examines the relationship between ideology and politics in the war s origins dynamics and consequences Part I examines the ideologies of the combatants and shows how the war can be understood as a struggle of words ideas and values with the rival powers expressing divergent claims to justice and controlling news from the front in order to sustain moral and influence international opinion Part II looks at politics from the perspective of pre war and wartime diplomacy as well as examining the way in which neutrals were treated and behaved The volume concludes by assessing the impact of states politics and ideology on the fate of individuals as occupied and liberated peoples collaborators and resisters and as British and French colonial subjects

Spanish-Italian Relations and the Influence of the Major Powers, 1943-1957 Pablo Del Hierro Lecea, 2014-12-03 Spanish Italian Relations and the Influence of the Major Powers examines complex relations between Spain and Italy beginning in 1943 and continuing until 1957 contending that the relationship cannot be examined in isolation and must be understood in its broader context

Spain in International Context, 1936-1959 Christian Leitz, David Dunthorn, 1999-09-01 This collection of articles covers a crucial period of Spain s history from the rise of Franco to the

crucial Stabilization Plan of 1959 Separated into four chronologically divided sections it focuses largely on the international reactions to and the involvement of other powers in the Spanish Civil War including an examination of French and British reactions to the situation in Spain and Soviet German and Italian involvement and the period of the Second World War with a particular focus on Spain's relations to the Axis and Vichy France especially during the period of 1940-41 when a Spanish entry in to the war was most likely The fate of the Spanish refugees and exiles in Britain and France is also highlighted as is Spain's international position in the aftermath of the Second World War and particularly the attitude of the former Allies Britain France the Soviet Union and the USA The volume ends with Spain's response to the unfolding economic co operation and integration in Western Europe

Spain, the Second World War, and the Holocaust Sara J. Brenneis, Gina Herrmann, 2020-04-02 Spain has for too long been considered peripheral to the human catastrophes of World War II and the Holocaust This volume is the first broadly interdisciplinary scholarly collection to situate Spain in a position of influence in the history and culture of the Second World War Featuring essays by international experts in the fields of history literary studies cultural studies political science sociology and film studies this book clarifies historical issues within Spain while also demonstrating the impact of Spain's involvement in the Second World War on historical memory of the Holocaust Many of the contributors have done extensive archival research bringing new information and perspectives to the table and in many cases the essays published here analyze primary and secondary material previously unavailable in English Spain the Second World War and the Holocaust reaches beyond discipline genre nation and time period to offer previously unknown evidence of Spain's continued relevance to the Holocaust and the Second World War

The Triumph of the Dark Zara Steiner, 2011-03-31 In this magisterial narrative Zara Steiner traces the twisted road to war that began with Hitler's assumption of power in Germany Covering a wide geographical canvas from America to the Far East Steiner provides an indispensable reassessment of the most disputed events of these tumultuous years Steiner underlines the far reaching consequences of the Great Depression which shifted the initiative in international affairs from those who upheld the status quo to those who were intent on destroying it In Europe the 1930s were Hitler's years He moved the major chess pieces on the board forcing the others to respond From the start Steiner argues he intended war and he repeatedly gambled on Germany's future to acquire the necessary resources to fulfil his continental ambitions Only war could have stopped him an unwelcome message for most of Europe Misperception miscomprehension and misjudgment on the part of the other Great Powers leaders opened the way for Hitler's repeated diplomatic successes It is ideology that distinguished the Hitler era from previous struggles for the mastery of Europe Ideological presumptions created false images and raised barriers to understanding that even good intelligence could not penetrate Only when the leaders of Britain and France realized the scale of Hitler's ambition and the challenge Germany posed to their Great Power status did they finally declare war

The Munich Crisis, 1938 Erik Goldstein, Igor Lukes, 2012-10-12 Most of the works on the crises of the 1930s and especially the

Munich Agreement in 1938 were written when it was virtually impossible to gain access to the relevant archive collections on both sides of the Iron Curtain This text studies the Czechoslovak German crisis and its impact from previously neglected perspectives and celebrates the post Cold War openness by bringing in new evidence from hitherto inaccessible archives

The Politics of Chemistry Agustí Nieto-Galan, 2019-08-22 Agust Nieto Galan argues that chemistry in the twentieth century was deeply and profoundly political Far from existing in a distinct public sphere chemical knowledge was applied in ways that created strong links with industrial and military projects and national rivalries and international endeavours that materially shaped the living conditions of millions of citizens It is within this framework that Nieto Galan analyses how Spanish chemists became powerful ideological agents in different political contexts from liberal to dictatorial regimes throughout the century He unveils chemists position of power in Spain their place in international scientific networks and their engagement in fierce ideological battles in an age of extremes Shared discourses between chemistry and liberalism war totalitarianism religion and diplomacy he argues led to advancements in both fields

Economic Relations Between Nazi Germany And Francos Spain 1936 1945 Introduction

Economic Relations Between Nazi Germany And Francos Spain 1936 1945 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Economic Relations Between Nazi Germany And Francos Spain 1936 1945 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Economic Relations Between Nazi Germany And Francos Spain 1936 1945 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Economic Relations Between Nazi Germany And Francos Spain 1936 1945 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Economic Relations Between Nazi Germany And Francos Spain 1936 1945 Offers a diverse range of free eBooks across various genres. Economic Relations Between Nazi Germany And Francos Spain 1936 1945 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Economic Relations Between Nazi Germany And Francos Spain 1936 1945 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Economic Relations Between Nazi Germany And Francos Spain 1936 1945, especially related to Economic Relations Between Nazi Germany And Francos Spain 1936 1945, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Economic Relations Between Nazi Germany And Francos Spain 1936 1945, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Economic Relations Between Nazi Germany And Francos Spain 1936 1945 books or magazines might include. Look for these in online stores or libraries. Remember that while Economic Relations Between Nazi Germany And Francos Spain 1936 1945, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Economic Relations Between Nazi Germany And Francos Spain 1936 1945 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Economic Relations Between Nazi Germany And Francos Spain 1936 1945 full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited

or Scribd offer subscription-based access to a wide range of Economic Relations Between Nazi Germany And Francos Spain 1936 1945 eBooks, including some popular titles.

FAQs About Economic Relations Between Nazi Germany And Francos Spain 1936 1945 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Economic Relations Between Nazi Germany And Francos Spain 1936 1945 is one of the best book in our library for free trial. We provide copy of Economic Relations Between Nazi Germany And Francos Spain 1936 1945 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Economic Relations Between Nazi Germany And Francos Spain 1936 1945. Where to download Economic Relations Between Nazi Germany And Francos Spain 1936 1945 online for free? Are you looking for Economic Relations Between Nazi Germany And Francos Spain 1936 1945 PDF? This is definitely going to save you time and cash in something you should think about.
