Transmission of the Divine Trinity Witness Lee, 2001-08-01 The first three chapters of this book give a general discussion of four great matters in the Bible the economy of God the dispensing of God the union of God with His believers and the corporate expression of God The subsequent chapters go on to explain the profound truths and the experience of life related to these four great matters according to the book of Ephesians the Gospel of John and the Gospel of Matthew Following this the book proceeds to offer guidance to all those who have a heart to serve the Lord full time concerning the building up of themselves in the matters of life truth character learning languages knowing the church living a healthy life and managing personal finances as living witnesses of the Lord so that they may become useful vessels in the Lord's hands *Stewardship & the Economy of God* John H. Reumann, 2014-09-23 This concise and readable volume makes a major contribution to our understanding of stewardship Exhibiting careful and thorough research John Reumann traces the broad history of the stewardship concept to the present day While Reumann demonstrates that the term has had many shades of meaning in its history he also makes clear helpful suggestions on the meaning of stewardship for today especially by connecting stewardship with the economy of God I commend this book to all pastors seminarians and laity willing to struggle with what stewardship means for our lives and our world as we approach the twenty first century WILHAM O AVERY Gettysburg Lutheran Seminary With his characteristic erudition biblical scholarship classical and historical reflection and contemporary application John Reumann shows how oikonomia has been a recurring theme in the Christian life It appears now again as stewardship and Reumann's exhaustive investigation will help the church respond to its far reaching imperative NORMAN A HJELM Faith and Order National Council of Churches For many Christians the term stewardship means fund raising Paradoxically with the advent of the environmental movement it has acquired another sense stewardship as care for the earth In this learned but accessible book John Reumann shows how the modern secular use of the term actually derives from the Bible and Christian tradition He constructs a theology of stewardship that is at once faithful to the Scriptures and applicable to the lives of Christians today ROBERT L WILKEN University of Virginia **The Economy of God** Witness Lee, 1975 **Stewardship & the Economy of God** John H. Reumann, 2014-09-23 This concise and readable volume makes a major contribution to our understanding of stewardship Exhibiting careful and thorough research John Reumann traces the broad history of the stewardship concept to the present day While Reumann demonstrates that the term has had many shades of meaning in its history he also makes clear helpful suggestions on the meaning of stewardship for today especially by connecting stewardship with the economy of God I commend this book to all pastors seminarians and laity willing to struggle with what stewardship means for our lives and our world as we approach the twenty first century WILHAM O

AVERY Gettysburg Lutheran Seminary With his characteristic erudition biblical scholarship classical and historical reflection and contemporary application John Reumann shows how oikonomia has been a recurring theme in the Christian life It appears now again as stewardship and Reumann's exhaustive investigation will help the church respond to its far reaching imperative NORMAN A HJELM Faith and Order National Council of Churches For many Christians the term stewardship means fund raising Paradoxically with the advent of the environmental movement it has acquired another sense stewardship as care for the earth In this learned but accessible book John Reumann shows how the modern secular use of the term actually derives from the Bible and Christian tradition He constructs a theology of stewardship that is at once faithful to the Scriptures and applicable to the lives of Christians today ROBERT L WILKEN University of Virginia John Reumann was a professor of New Testament studies at Lutheran Theological Seminary Philadelphia PA He was the author of Righteousness in the New Testament Justification in the Lutheran Catholic Dialogue and Ministries Examined Laity Clergy Women and Bishops in a Time of Change The Grace of God in the Economy of God Witness Lee, Watchman Nee, 2021-10-18 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the International Chinese speaking conference webcast from Anaheim California on February 18 20 2022 The general subject of the conference was The Grace of God in the Economy of God Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ A View of the Economy of the Church of God Samuel Austin, 1807

The Economy of the Kingdom of God Soon Paik, 2022-12-13 The Christian life is to live in the present aspect of the coming kingdom of God which includes three lives in this world The first Christian life is to live the spiritual life by which we are in God as his children and people in Jesus Christ as his disciples and in Spirit as his spirituals The second Christian life is to live the glorious economic life by which we subordinate and participate into the biblical truths in our daily economic life in terms of the identity of the economic man and woman economic principles production consumption distribution and economic policies The third Christian life is to live the glorious biblical life by which we live according to Jesus Christ's teachings concerning the kingdom of God that he mentioned in the four Gospels **A General Outline of God's Economy and the Proper Living of a God-Man** Witness Lee, 1998 **The Economy of God** David D. Swanson, 2019-01-04 I want you the reader to know the joy and delight that is possible when money is yielded to God's discretion David D Swanson Jesus spoke more about money than any other single subject in the Bible Yet because many believers don't listen to what the Bible says about money money has become a source of pain strife discontent and division in many Christian homes churches and ministries God has an entire economy that he wants us to operate in a way of working and producing a way of earning spending saving and giving that not only honors him but blesses everyone who participates in it This book will help you once again realize God's economy and increase your heart's desire to live within it **The Economy of Salvation** Matthew

Charlton, Timothy R Eberhart, Jurgen Moltmann, 2016-03-31 Over the last four decades the focus of M Douglas Meeks's work has placed him at the centre of many of the most important developments in theological reflection and education As a political ecclesial and metaphorical theologian Meeks has given witness to the oikonomia of the triune God the Homemaker who creates the conditions of Home for the whole of creation in critical conversation with contemporary economic social and political theory The essays of this volume were written to honour Meeks Cal Turner Chancellor Professor Emeritus of Theology at Vanderbilt University Divinity School by addressing the theme of God's economy of salvation from biblical historical ecclesial and theological perspectives In an age of ecological devastation and economic injustice Meeks teaches us how to place our hope as disciples of Jesus as members of local congregations as stewards of institutional life and as global citizens in God's power for life over death through Jesus Christ and the Holy Spirit These essays will serve to enliven and clarify this hope for the sake of the world God so loves *The Economy and Dispensing of God* Witness Lee, 1990-11 *The Economy of God* Howard A Snyder, 2016-11-29 The material offered in this book refined over four decades of ministry and further thought is the result of seeking to find an authoritative answer to this question The book is largely interaction with and reflection upon the Word It relates some highly surprising and significant insights into the biblical nature of the church and of God's kingdom plan Ephesians gives us a model for the church perhaps the clearest most profound and concise picture of the church in all Scripture Yet this is not an idealized picture floating somewhere in space or in the heavenlies which never really touches down to earth to our nitty gritty lives Rather here is a picture of what the church most profoundly is and what it can be in actual space and time *Hidden Secrets of God's Economy* Lou Galloway, 2008-06 Radically transform your financial position in life to one of abundance and prosperity by discovering the hidden financial secrets of God's economy After receiving revelation from the Lord in October 2006 I discovered why I wasn't prospering as promised in the Bible My beliefs were based upon my personal experiences rather than the word of God I discovered I wasn't using all the talents that God created within me These hidden talents are the seeds to our financial and business success The Lord revealed to me that I should be living in God's economy of abundance and that my finances are not meant to be tied to the world's economic system I was challenged to transform the way I think and learn to apply the principles of abundance in generating a 30 fold 60 fold and 100 fold return Once my eyes were opened to this revelation the Lord began to reveal opportunities to me For further details visit my web site at www.harvestwells.com Lou Galloway lives in Hobart Australia with his wife Sandra They have two daughters two son in laws a son and two grandsons Lou has spent over 15 years in ministry including many overseas missionary excursions Lou has a diploma in Christian Ministries and a Bachelor of Computing degree Lou is currently involved in developing business projects within the mission field and has a vision to expand this concept on a much larger scale *The Economy of the Covenants Between God and Man* Herman Witsius, 1803 *The Economy of the Covenants Between God and Man* Comprehending a Complete Body of Divinity by Herman Witsius first
