*Fields of Screams* Barry Reid, 2017-04-25 More than three million children between the ages of six and eighteen played for organized youth soccer teams in the United States last year By far most of them played in the novice and beginning divisions Teams need coaches to guide them particularly in those levels With an average of two coaches per team that means that approximately one hundred thousand coaches coached those kids last season Very few leagues have an overabundance of youth coaches at their disposal It is common for many soccer leagues to beg and plead with parents of soccer players to coach their child's team Far too often leagues pose the threat to parents that their sons or daughters might not be able to play that season unless a parent of a player on the team without a coach steps up and decides to coach If they don't coach their child's seasons may be over before they begin **Storage and Disposition of Weapons-usable Fissile Materials**

More information to be announced soon on this forthcoming title from Penguin USA *Religious Freedom and the Constitution* Christopher L. Eisgruber, Lawrence G. Sager, 2010-04-10 Religion has become a charged token in a politics of division In disputes about faith based social services public money for religious schools the Pledge of Allegiance Ten Commandments monuments the theory of evolution and many other topics angry contestation threatens to displace America's historic commitment to religious freedom Part of the problem the authors argue is that constitutional analysis of religious freedom has been hobbled by the idea of a wall of separation between church and state That metaphor has been understood to demand that religion be treated far better than other concerns in some contexts and far worse in others Sometimes it seems to insist on both contrary forms of treatment simultaneously Missing has been concern for the fair and equal treatment of religion In response the authors offer an understanding of religious freedom called Equal Liberty Equal Liberty is guided by two principles First no one within the reach of the Constitution ought to be devalued on account of the spiritual foundation of their commitments Second all persons should enjoy broad rights of free speech personal autonomy associative freedom and private property Together these principles are generous and fair to a wide range of religious beliefs and practices With Equal Liberty as their guide the authors offer practical moderate and appealing terms for the settlement of many hot button issues that have plunged religious freedom into controversy Their book calls Americans back to the project of finding fair terms of cooperation for a religiously diverse people and it offers a valuable set of tools for working toward that end *A Step in Time* Emma Lile, 1999 An illustrated volume tracing the history of dance in the lives of the Welsh people from early to present times the result of research carried out to coincide with a folk dance exhibition at Sain Ffagan Folk Museum 1997 98 including notes and bibliography 24 colour and 24 black and white photographs 1 diagram and 2 cartoons
