*The Palgrave Encyclopedia of American Horror Film Shorts* Gary D. Rhodes, David J. Hogan, 2022-07-26 The Palgrave Encyclopedia of American Horror Film Shorts chronicles for the first time over 1 500 horror and horror related short subjects theatrically released between 1915 at the dawn of the feature film era when shorts became a differentiated category of cinema and 1976 when the last of the horror related shorts were distributed to movie theaters Individual entries feature plot synopses cast and crew information and where possible production histories and original critical reviews A small number of the short subjects catalogued herein are famous such as those featuring the likes of Buster Keaton Laurel and Hardy The Three Stooges Bugs Bunny and Daffy Duck but the bulk are forgotten The diverse content of these shorts includes ghosts devils witches vampires skeletons mad scientists monsters hypnotists gorillas dinosaurs and so much more including relevant nonfiction newsreels Their rediscovery notably rewrites many chapters of the history of horror cinema from increasing our understanding of the sheer number horror films that were produced and viewed by audiences to shedding light on particular subgenres and specific narrative and historical trends

**The First Hollywood Sound Shorts, 1926-1931** Edwin M. Bradley, 2015-06-14 This study of early sound shorts begins with an explanation of the development of sound motion pictures in Hollywood by such influential companies as Warner Bros and Fox with an emphasis on short subjects leading up to the first few months when all of the major studios were capable of producing them The next chapters discuss the impact on other mass entertainments the development of audible news reels and other non fiction shorts as well as the origins of animated sound subjects A comprehensive list of pre 1932 American made shorts completes the volume

[Read My Shorts!](#) Swift Smith, 2006-11 Although Swift Montana Smith's book entitled READ MY SHORTS is mostly about Cowboy Action Shooting and his personal experiences within the sport there are also stories about the Wild West included within The book is split into two parts with the first part being short stories that can be read in less than an hour having said that the eighteen stories listed in Part One will take several hours to read The addition of the longer short story in Part Two of the book about a Wild West character called Edgar Windfal is a pleasant narrative and very interesting While some of the stories appear to be actual experiences many of them are fictional in nature and have a comedic tone and are meant to be amusing A few of the stories are serious and emotional including the last one entitled Edgar Windfal The Lucky Stone Overall the book is easy to read and very enjoyable
