An Overview of the Edgar Cayce Material Kevin J. Todeschi, 2005 Edgar Cayce pronounced Kay Cee 1877 1945 has been called the sleeping prophet the father of holistic medicine and the most documented psychic of the 20th century For more than 40 years of his adult life Cayce gave psychic readings to thousands of seekers while in an unconscious state diagnosing illnesses and revealing lives lived in the past and prophecies yet to come But who exactly was Edgar Cayce and what were his psychic readings all about This booklet covers the life of Cayce as well as an overview of the topics covered in his more than 14 000 documented psychic readings and tips for working with studying and understanding those readings **The Essential Edgar Cayce** Mark Thurston, 2004-07-08 A complete guide to the work of the remarkable twentieth century seer Edgar Cayce featuring Cayce's most intriguing and influential readings and a biographical introduction to his life Edgar Cayce is one of the most mysterious men of the twentieth century Sometimes called The Sleeping Prophet he was prone to pick up taglines that reflected the sensationalistic side of his work rather than its real depth and meaning The core of his life's work was actually being an intuitive healer and Christian mystic More than one hundred books have been written about his teachings and his life story Yet no book has combined insightful commentary with lengthy verbatim selections of the full range of his contribution to holistic healing practical spirituality and the psychology of the soul *The Essential Edgar Cayce*

gives the reader an understanding of each major area in which Cayce helped pioneer the modern holistic living movement as well as the contemporary popular approach to spirituality that weaves together the best of Eastern and Western religious traditions The book's substantial introduction frames Cayce and his life's work and is followed by eight topical sections in which commentaries by Mark Thurston guide the reader through some of the seer's most significant readings Here is a truly integral portrait of the life and work of one of the twentieth century's most fascinating spiritual figures *Edgar Cayce* Jess Stearn,1967 Life prophecies and medical predictions from clairvoyant readings of Edgar Cayce which have been the subject of controversy throughout wide areas of the United States Edgar Cayce Jess Stearn,1981 **Edgar Cayce's Story of Attitudes and Emotions** Edgar Cayce,1974 From cover insights into human feelings and their relation to physical and spiritual health **Edgar Cayce in Context** K.
