shaping our lives in ways we can scarcely imagine If you like this book write a review **Splinters of Light** Donna Swanson,2011-03-07 John tells us in his gospel that we are the light When we accept Christ and become part of the family of God we are put on a lamp stand We are the city on the hill People will see us Our light will shine The only choice we have is the amount of Light we allow through the cracks in these earthen vessels So how do we do it What does it mean to shine to illuminate I can say only that we shine in spite of ourselves Our shining is not a product of our own labor It is not something we can will into being Rather it is the byproduct of a life lived in the presence of the true Light We are a reflection of Him The brilliance of that reflection the penetrating power of Christ s Spirit in our lives is His gift to us As we allow our hearts to overflow with His goodness mercy and love with the knowledge of who He is and what He is that goodness and mercy and awesome reality somehow manifests itself to those around us The love we receive from Him flows naturally into our world and into the lives of those with whom we come in contact Now I offer to you those words He would not let me ignore words that crowded behind walls of hesitancy words that tumbled through the cracks and became splinters of light May Christ be honored and a tiny part of His glory revealed in these small splinters **Advocate of Peace and Universal Brotherhood**

Thanks to great spirit of all I have made this tiny success without anyone s help When I am not on this earth I will rest in peace since I would know that I have finished what I started years ago and succeeded in doing so against all odds This is the story of life that has come to be mine to come alive in my writings I hope others would also find an opportunity to achieve something they dreamed to do and succeed in doing so Lastly I hope the young generation would engage in reading some poetry now and then and to appreciate poetry as an important part of human culture which remains as an everlasting mirror standing in front of us reflecting our actions on this earth just like a movie with a cast of people whereas in the case of poetry
