ever loved and to keep their eyes open Because if any of them falls asleep now it will be the last thing they ever do *The End of Sleep* Rowan Somerville, 2025-04-25 A riotous love letter to Arab culture its sense of honor and friendship its food and humor and above all storytelling In this exuberant transformative tale of modern day Cairo a drunken Irish journalist named Fin seeks a story His friend Farouk mercurial teller of tales has tantalized him with news of the wily Skinhead Said who may or may not have discovered a cache of priceless antiquities But the truth remains elusive not until they both travel to proverbial hell and back courtesy of a thuggish kebab shop tycoon and his brutal retinue Once Fin finds a way to save his friend s life and baba ghanoush is properly made and other necessities of life are observed then stories may be spun and secrets reluctantly revealed With Irish wit and passion Rowan Somerville crafts a novel full of earthy humor sensual pleasure spiritual yearning and delayed satisfaction a Pilgrim s Progress of a modern Western soul seeking and finding itself in a foreign land *Evolution of Sleep* Patrick McNamara, Robert A. Barton, Charles L. Nunn, 2010 This book is aimed at researchers and graduate students in neuroscience evolutionary biology and biological anthropology and to biomedical researchers studying sleep medicine *The Fall of Sleep* Jean-Luc Nancy, 2009-10-01 Philosophers have largely ignored sleep treating it as a useless negativity mere repose for the body or at best a source for the production of unconscious signs out of the night of the soul In an extraordinary theoretical investigation written with lyric intensity *The Fall of Sleep* puts an end to this neglect by providing a deft yet rigorous philosophy of sleep What does it mean to fall asleep Might there exist something like a reason of sleep a reason at work in its own form or modality a modality of being in oneself of return to oneself without the waking self that distinguishes I from you and from the world What reason might exist in that absence of ego appearance and intention in an abandon thanks to which one is emptied out into a non place shared by everyone Sleep attests to something like an equality of all that exists in the rhythm of the world With sleep victory is constantly renewed over the fear of night an a confidence that we will wake with the return of day in a return to self to us though to a self an us that is each day different unforeseen without any warning given in advance To seek anew the meaning stirring in the supposed loss of meaning of consciousness and of control that occurs in sleep is not to reclaim some meaning already familiar in philosophy religion progressivism or any other ism It is instead to open anew a source that is not the source of a meaning but that makes up the nature proper to meaning its truth opening gushing forth infinity This beautiful profound meditation on sleep is a unique work in the history of phenomenology a lyrical phenomenology of what can have no phenomenology since sleep shows itself to the waking observer the subject of phenomenology only as disappearance and concealment *The Flame of Transformation Turns to Light (Ninety-Nine Ghazals Written in English) / Poems* Daniel Abdal-Hayy Moore, 2007 THE FLAME OF TRANSFORMATION TURNS TO LIGHT is a book of poems in traditional ghazal form the first half begun in Turkey companion volume to open form poems written at a later visit published in 2006 as *Love is a Letter Burning in a High Wind* The Ecstatic Exchange Visiting the epiphany inducing tombs of Mevlana Rumi and his spiritual companion Shems in Konya
