Edith Head Jay Jorgensen, 2010-10-05 Nearly every iconic film in the last century had one thing in common Edith Head From her mysterious childhood to the controversial portfolio that landed her first job in a Hollywood costume department Jorgenson provides a sleek and sophisticated portrait of the most influential costume designer of the twentieth century

Edith Head David Chierichetti, 2003-03-04 Edith Head is widely considered the most important figure in the history of Hollywood costume design The glamour and style of her creations continue to inspire generations of designers Her career spanned nearly half a century and included such classic films as *Rear Window* and *Sunset Boulevard* Her private life and professional achievements however have been the subject of speculation since she rose to the top of her field in the late 1940s Ruthlessly competitive and intensely secretive Head had few close friends and many detractors In his unprecedented biography David Chierichetti offers a privileged glimpse into the personality and emotions behind the famously impenetrable schoolmarm facade as well as a comprehensive account of her creative process As Head's longtime friend and confidant Chierichetti enjoyed rare access to her home life and reflections on Hollywood The author's intimate view of Head's life and work combined with his extensive research and design expertise result in a clear-eyed portrait of a career often shrouded in misinformation To find the truth in the notoriously fictionalized accounts of Edith Head the author turned to her friends coworkers and competitors The result of Chierichetti's meticulous original research is a fresh and vital portrait of the designer as well as of the studio era she epitomizes *Edith Head* is richly illustrated with more than 150 images including family snapshots sketches and studio portraits of the stars and roles she helped to create With a full color photo insert this informative thorough and important biography is also engaging and entertaining and will appeal to designers scholars and film buffs alike
