Tendencias y retos en la formación inicial de los docentes Juan Carlos Torre Puente (coord.),    Pope Francis Mario I Aguilar,2014-05-29 Pope Francis His Life and Thought paints a compelling picture of a truly remarkable pope considering his life in detail until his election as Pope Francis in 2013 Cardinal Jorge Bergoglio was a highly unusual candidate for the papacy for two main reasons the pope from far away is the first non European to be elected and furthermore he began his career as a Jesuit one of God's soldiers Members of the order traditionally do not ascend the hierarchy of the Church and it took a personal request from Pope John Paul II for Bergoglio to leave the Society of Jesus and accept his appointment as bishop Bergoglio's theological principles have been profoundly shaped by these two factors However the author also reveals that the evolution of his thought was deeply affected by his simple Argentinean upbringing and his fearless work in the slums of Buenos Aires as a young Jesuit and as a senior member of the Church Bergoglio has consistently emphasised the importance of alleviating the suffering of the poor following the teaching of Vatican II and in keeping with his own unflinching morality This volume reveals Pope Francis as remarkably humble and altruistic man doctrinally conservative and engaged less in politics than in the struggle to re-centre the Church at the margins of society It will be of great interest to any reader who wishes to know more about this inspiring individual

**Papa Francisco su vida y sus desafíos** Saverio Gaeta,2013 La vida intereses y testimonios del nuevo pontífice que nos ha llegado desde el fin del mundo seguidamente mismo afirmó en las primeras palabras dirigidas a su pueblo Un Papa que nos ha sido dado en un cónclave llevado por el Espíritu Santo como afirmó uno de los cardenales después de la elección En este libro Saverio Gaeta nos presenta el recorrido de fe de Jorge Mario Bergoglio desde que escuchó el llamado a su vocación hasta sus primeras apariciones como nuevo sucesor de Pedro en una lnea de humildad y servicio al otro como esencia del cristiano en un seguimiento de Cristo crucificado con todas las responsabilidades y desafíos que esto implica    **The Roots of Pope Francis's Social and Political Thought** Thomas R. Rourke,2016-08-30 In The Roots of Pope Francis's Social and Political Thought Thomas R Rourke traces the development of Pope Francis's thinking from his time as a Jesuit provincial through today Meticulously researched the book draws on decades of previously untranslated writings from Father Jorge Bergoglio SJ who went on to become archbishop and cardinal this volume also references his recent writings as pope The book explores the deepest roots of Pope Francis's thinking beginning with the experience of the Jesuit missions in Argentina 1500s 1700s showing how both the success and tragedy of the missions profoundly formed his social and political views Subsequent chapters explore influences from the Second Vatican Council through today regarding culture politics and economics In Pope Francis's understanding there is a perpetual tension between the attempts to redeem the social order through the Gospel

and the never ending attempts to dominate peoples and their lands through a variety of imperial projects that come from the powerful What emerges is a profoundly Christian approach to the social political and economic problems of our time The Pope is portrayed as an original thinker independent of ideological currents rooted in the Gospels and the tradition of Catholic social thought In a time of division and violence the writings of Pope Francis often point to the path of peace and justice

*Francis Mario Escobar,2013-05-21 First Jesuit First Latin American And a new pope who chose as his first act a simple request please pray for me The recent resignation of Pope Benedict XVI took the world by surprise and for good reason More than 600 years had passed since a pope last left his post Jorge Mario Bergoglio now Pope Francis is a man of prayer a man of action and a humble man who has always promoted others over himself In fact it was Bergoglio who bowed out of the running in the papal election of 2005 to facilitate the rise of Benedict XVI However the new pope faces a Catholic Church in crisis a church that has lost the media pull of John Paul II and is still hounded by pedophile scandals and the filtration of documents from former papal administrations His first year may not be an easy one but neither this man nor the church itself has ever shied away from the challenges thrust upon them Pope Francis is austere and simple but has vast theological training He is a man of his time but one who also travels by subway and bus just like any other citizen Tirelessly fighting poverty and marginalization he is a beacon of hope for the poor persecuted sectors of the church Has a Catholic spring finally arrived after a very long winter Francis is the complete biography of a humble man who has suddenly become one of the most powerful and influential men on the planet*

*La revolución pacífica Mario Escobar,2014-04-01 La agenda del nuevo Papa est cargada de cambios urgentes y necesarios para la Iglesia Católica En este primer año se han producido algunos de esas transformaciones Cuales son esos cambios y como se han producido Que cambios quedan aún por realizar En La revolución pacífica se exploran estas preguntas y más Las reformas del papa Francisco están destinadas a la democratización de la institución dejando más poder de decisión a los cardenales y fomentando la transparencia para que los casos de corrupción salgan a la luz El papa Francisco está comprometido a construir una Iglesia Católica más humilde que sirva de ejemplo a los gobernantes del mundo no es tarea fácil por eso veremos algunos avances del Papa en este sentido In this first year the catholic church has seen some of these transformations What are these changes and how they are produced What changes are yet to be realized In La revolución pacífica Mario Escobar explores these questions and more Pope Francis reforms are aimed at the democratization of the institution leaving more power of decision to the Cardinals and promoting transparency so that cases of corruption come to light Pope Francis is committed to build a more humble Catholic Church to serve as an example for the world leaders is no an easy task so we will see some progress of the Pope in this regard*

Por encima de todo El Papa Francisco vida y revolución nos revela a un hombre que actúa de acuerdo a sus creencias. Es un líder espiritual firme en su amor por Dios motivado por su alegría y paz interior que nos puede inspirar a servir a los menos afortunados los perdidos y los olvidados. In Italy they call him "il Papa" which means "The Father". Until his unprecedented election author and friend Elisabetta Piqui called him "Padre Jorge". He may have changed his name to become Pope Francis but it did not change their friendship. Since Jorge Mario Bergoglio became Pope Francis in 2013 countless books have been written to help the world understand this deeply complex yet simple servant of God. What sets Pope Francis' Life and Revolution apart from all other biographies of Pope Francis is the careful research and original investigation behind it along with the fact that it is written by an internationally respected journalist Elisabetta Piqui who has remained close to the Pope since first meeting him back in 2001. Over 75 individuals were interviewed for Pope Francis' Life and Revolution including lay people, priests, bishops and cardinals who have known or worked with Francis at various times in his life. Insights from these people as well as from friends and family members allow us to see a profoundly personal side of the Pope. His humility and humanity, courage and conviction and warmth and wisdom are revealed as Piqui shares little known episodes from Francis' life. With a foreword by Cardinal Sean O'Malley O.F.M.Cap Pope Francis' Life and Revolution is the definitive resource and narrative of a man personally known by few and revered and respected by many. Pope Francis' Life and Revolution reveals a man consistent in his beliefs and actions. He is a spiritual leader unwavering in his love for God whose inner joy and peace move him and can inspire us to serve the least, the last and the lost.

Francesco un Papa nuovo per numerosi aspetti la provenienza il nome che ha scelto le vesti e l'alloggio la sobrietà il linguaggio le libertà che rivendica e riconosce Nuovo per la continua invenzione di gesti di vicinanza ai feriti della vita l'audacia di parlare con l'intenzione di arrivare a tutti la precedenza che attribuisce alla predicazione del vangelo rispetto a ogni altro impegno Nessun papa in epoca contemporanea aveva posto tanti segni di novità in così poco tempo Con intenzione ecumenica e collegiale Francesco si presenta innanzitutto come vescovo di Roma Egli chiede che la misericordia rivolta sia alle anime che ai corpi abbia il primo posto nella predicazione della Chiesa colloca la missione e la povertà al centro della sua pedagogia ecclesiale concepisce la comunità cristiana come un ospedale da campo si rifiuta di ridurre la fede a ideologia e il kerigma a morale sessuale lasciando presagire una stagione creativa nella bimillenaria storia della Chiesa cattolica Che destino avrà questo uomo che spinge gli abitatori dell'istituzione più carica di storia a pensare il nuovo e a osare l'inedito Come affronterà le opposizioni di cui far esperienza Riuscirà nell'intento di rifare missionaria e povera la Chiesa di Roma compresa la cittadella curiale Sarà compreso il suo azzardo di una nuova lingua che spesso contrasta con quella della tradizione
