Excerpt In the following pages I have endeavoured to point out some important things with respect to female education It is true many treatises have been already written yet it occurred to me that much still remained to be said I shall not swell these sheets by writing apologies for my attempt I am afraid indeed the reflections will by some be thought too grave but I could not make them less so without writing affectedly yet though they may be insipid to the gay others may not think them so and if they should prove useful to one fellow creature and beguile any hours which sorrow has made heavy I shall think I have not been employed in vain      **Instructions for the Education of a Daughter ...
