Jane Roberts,2011-07-08 From the Bestselling Author of Seth Speaks Speaking exclusively through Jane Roberts Seth has
repeatedly stressed the concept that we create our own reality according to our individual beliefs But how do our realities
merge and combine to form mass reactions such as the overthrow of governments the birth of a new religion wars epidemics
earthquakes and new periods of art architecture and technology In this pioneering work Seth explores the connection
between personal beliefs and world events He pinpoints the unconscious and often negative beliefs pervading science and
religion medicine and mythology and offers thought provoking reflections on Darwinism Freudianism religions cults and
medical beliefs With fascinating and inspiring implications Seth asserts that the personal impulses we are often taught to see

as dangerous chaotic or contradictory are instead crucial to the best interests of the species and the natural world for they lead us to live not only as loving caretakers but as partners with other species Only people who trust their spontaneous impulses can be consciously wise enough to choose from a myriad of probable futures the most promising events Jane Roberts Speaking for Seth **Michael Speaks: The Legacy of Leslie Briggs** Center for Michael Teachings, Inc.,2015-07-08 We are here with you today With those few words in August 1973 Sarah Chambers her husband Richard and their good friends Alice and Dick started a journey that took them far beyond anything they could possibly imagine They explored the unseen realm of the spiritual world with their teacher Michael Along with good friend Eugene Trout they created a new spiritual teaching based in love that helps people become more of who they truly are The group kept transcripts of their meetings and those transcripts were copied and passed around to their friends and coworkers then copied and passed to many others over the years Volume 1 contains those transcripts digitized formatted for easier reading and edited to remove most real names This volume contains the transcripts of a group started by Leslie Briggs and her parents after Sarah stopped doing public groups **Cosmopsychology** Gene F.
