A Peculiar Prophet Michael A. Turner, 2010-09-01 There is no more trusted mentor of preachers in North American Christianity today than William H. Willimon The author of over sixty books a frequent preacher and teacher in pastors' schools and events Willimon has earned a following as one of the people to whom preachers turn more often than any other Turner and Malambri make Willimon's role as a mentor to preachers more available than ever Both former students of Willimon's they provide detailed and practical tools for learning from this peculiar prophet They offer samples of Willimon's sermons and commentary on them by other leading preachers and homilists such as Tom Long and Peter Gomes The point of this examination of Willimon's work is not simply to praise it but to assess both its strengths and its weaknesses and to help readers learn in the process how Willimon can be a model of what to do and at times what not to do in the pulpit Written with the needs of practicing preachers in mind this book will make a significant contribution not only to understanding a great preacher but also to preaching itself Teaming Up Ginny Ward Holderness, 1997-01-01 Bestselling Christian educator

Ginny Holderness refocuses the attention on leadership in the youth ministry to young people themselves Holderness and coauthor Robert Hay expand on her original team approach to include young people in the leadership team Successfully implemented in many church programs already this expanded approach to team building ensures that young people take ownership of their youth ministries **Gay Notions** Floyd Stephen Alexander, 2024-10-03 In a world where fear of difference has caused unimaginable pain and sorrow this powerful work seeks to bridge the gap between the gay and straight communities Through heartfelt storytelling it highlights the devastating impact of intolerance from mass shootings to the tragic killing of a classmate and the painful separation of families This book is a call to action urging us to use the power of our voices to foster understanding and compassion Let the conversation begin and together let's create a world where everyone is accepted for who they are *Good-Bye High School, Hello College* William H.
