be flight the title of an article about airport delays Along the way Crystal reminds us that the King James Bible owes much to earlier translations notably those by Wycliffe in the fourteenth century and Tyndale in the sixteenth But he also underscores crucial revisions made by King James's team of translators contrasting the memorable Am I my brother's keeper with Wycliffe's Am I the keeper of my brother Language lovers and students of the Bible will be equally enthralled by Begat and its engaging look at the intersection of religion and literature **Scholarship on Fire** Beau K.
