Michael Sanchez

Good Morning Monday:

The Monday Collection Robert Michael, A global conspiracy threatens to overthrow governments to topple nations and to create a new order Caught in the middle of their machinations Jake Monday vaunted assassin for the Galbriath Alliance stands between global tyranny and personal purgatory Follow Jake through three novellas Manic Monday A Month of Mondays and Thank God it s Monday and track the chronicles of his struggle to discover the man he was the killer he has become and the man he wants to be Now the first three books of The Jake Monday Chronicles are all in one book Save money and get The Monday Collection today The Monday Collection includes MANIC MONDAY A MONTH OF MONDAYS THANK GOD ITS MONDAY Look for more Jake Monday Chronicles early 2014 as his saga continues FROM THE AUTHOR The Monday Collection Volume One is a special volume of the first three books of the Jake Monday Chronicles It includes Manic Monday A Month of Mondays and Thank God it s Monday The Monday Collection Volume Two will be released in the fourth quarter of 2014 and will include the final four parts of the Jake Monday story Rainy Days and Mondays March 2014 Can t Wait for Monday May 2014 Mad Mad Monday July 2014 and Monday Bloody Monday September 2014 The Jake Monday Chronicles began when I wrote a short story about an assassin named Jake Monday I had no plans really but I had a sentence running through my head The sentence that launched this series began Jake Monday hated Mondays more than any other day of the week The idea that a high profile assassin would be unhappy unsatisfied and struggling with his past and future is not new I wanted to explore new areas of this theme I thought of family of a past hidden of the moral challenge of an individual that finds himself caught in a massive global conspiracy while grappling with the choices he has made willingly or not So Jake Monday is my Jason Bourne Hallie is my Sidney Bristow from Alias My villains well they are all my own I love to draw villains who are deep believable and scary Not because they always represent the antithesis of the hero but just the opposite my villains are not much different than all of us I do not believe in grey areas but I do believe the line between good and evil can be narrow One wrong move and even someone like Jake Monday can be heading in the wrong direction
