Just Friends Tiffany Pitcock, 2017-08-01. A new spin on the classic smart girl and bad boy setup, this witty contemporary romance shows how easily a friendship, even one built on an elaborate lie, can become so much more. Jenny meets Chance for the very first time when she is assigned as his partner in their Junior Oral Communications class. But after they rescue a doomed assignment with one clever lie, the whole school is suddenly convinced that Little Miss Really Likes Having A's and the most scandalous heartbreaker in school have been best friends forever. It's amazing how quickly a lie can grow, especially when you really, really want it to be the truth. With Jenny, Chance can live the normal life he's always kind of wanted. And with Chance, Jenny can have the exciting teen experiences that TV shows and movies have always promised. Through it all, they hold on to the fact that they are just friends. But that might be the biggest lie of all. Debut author Tiffany Pitcock delivers a spot-on depiction of first love and the high school rumor mill in *Just Friends*, chosen by readers like you for Macmillan's young adult imprint Swoon Reads. Praise for *Just Friends* from the Swoon Reads community: The story is great. It caught my attention and kept it. In fact, I stayed up all night to finish it. KFox reader on SwoonReads.com. I really loved this book. The characters were lovable, and I found myself attached to them almost instantly. The dialogue was snappy, witty, and most importantly, believable. C Thomas reader on SwoonReads.com. What truly, in my opinion, sets this apart from other best friends turn to lovers plots is that their entire relationship started with a lie and made it work through high school. Definitely something I will read and read again. Xanthia Strohl reader on SwoonReads.com. OMG, I read this book from start to finish non-stop. I fell absolutely in love with Chance and Jenny. This book had me feeling every single emotion, and I just could not get it enough of it. I wanted more and more. AND MORE. Twila James reader on SwoonReads.com.
