Good News for All Seasons Richard Allen Bodey, 1987-11 Revelations of the Cross James Innell Packer, 2013 Collected writings on the Trinity Christ and the Holy Spirit In this collection of writings from one of the most well known theologians of the modern era Packer strongly defends Trinitarian theology and the uniqueness of Jesus Christ against contemporary challenges In so doing he deals with theological issues such as atonement justification and universalism He calls for believers to be serious about the Holy Spirit and his articles on this topic are valuable examples of how to apply theological beliefs to controversial issues within the church The articles range from short devotional pieces published in church sponsored journals to opinion articles for popular journals like Christianity Today to major articles for scholarly journals Contents Foreword 1 The Trinity and the Gospel 2 On Covenant Theology 3 Jesus Christ the Lord 4 Jesus Christ the Only Saviour 5 The Lamb Upon His Throne 6 A Modern View of Jesus 7 The Uniqueness of Jesus Christ 8 What Did the Cross Achieve 9 Sacrifice and Satisfaction 10 Justification Introductory Essay 11 The Love of God Universal and Particular 12 Good Pagans and God s Kingdom 13 The Problem of Universalism Today 14 Evangelicals and the Way of Salvation 15 An Agenda for Theology 16 Shy Sovereign 17 On Being Serious About the Holy Spirit 18 The Spirit and His Work The Theology of the Christian Life in J.I. Packer's Thought Don J. Payne, 2006-06-01 This study offers a critical analysis of J I Packer s theology of the Christian life

Packer has achieved international acclaim and wielded widespread influence within evangelicalism for more than three decades particularly through his writings on the doctrine of sanctification His approach to sanctification is examined in light of the theological anthropology and theological method that constitute its unique structure and assumptions J I Packer has been one of the most recognized evangelical theologians of the late twentieth century Among his theological passions is anchoring the Christian life in the legacy of Reformed theology particularly that expressed by seventeenth century English Puritanism Yet his treatment of the doctrine of sanctification is shaped by two other influences theological anthropology and theological method This hermeneutical exploration of Packer s treatment of sanctification offers fresh insight into his thought and demonstrates the often unnoticed impact of theological anthropology and theological method within evangelical theology
