Time's Disease R.S. Ebert, 2012-08-14 When a young prophetess is rescued from genocide by a retired veteran our prolific duo teams up with a sultry bounty hunter who falls for any heroic heart Old comrades unite amid the chaotic collapse of a world power and rebel armies form new alliances A princess learns of her true heritage while tribes waken powers of olden A practitioner of occult science self fulfills temple prophecy by resurrecting his father from the grave only to realize the Free People he despises have become his only salvation Many believe these inevitable events were written in the stars from the dawn of time and prophets are merely observant students of precession who study repetitive patterns within endless successions of natural cycles Others say it is impossible to predict legendary incidents which happened before and are destined to occur again Civilizations have come and gone leaving historical warnings carved on ancient walls Unheeded and forgotten by myth eras are reborn to rise and fall until there comes an age when every god's immortality nears its end Set in a post apocalyptic future Time's Disease offers the classical allure of mythology with enduring messages very relevant to current events Futuristic themes revolve around castle landscapes to create this novel recipe a dash of mysticism sprinkled by romance and topped by spatters of horror Sup from hopes cup amid epic tragedy to partake of this bold tale Revealed by Illiana Rhea and told by the very characters themselves this is Laurent In Chains *Our little ones.*

W.T. Adams, ed, 1883 *The Werevamp Diaries: Moon Beam Dream* Olivia Hardin, The night my BFF died in my arms it shook me to the core So when a challenging medical case gets dropped into my lap I'm determined not to let it end with more blood on my hands I'm not good with death Yeah it's true I'm a doctor and a vet but I'm damn good at my job and death doesn't happen often when a life is in my hands Whether I'm working my medical magic or letting my werewolf out so she can kick some a I can always count on myself to get the job done I was totally willing to put my life on the line to fight for my BFF now that we've saved her from the grim reaper I was really hoping things would settle down for all of us But I guess it just doesn't work that way Instead I'm dealing with a tricky medical case that may be beyond my abilities not to mention a baby situation that I totally never saw coming And I'm not sure if it's just the stress of all that but a weird tension is cropping up between me and the love of my life All I want is to find a way to protect all of those most important to me but it seems there's a new test behind every door Can't a girl catch a break *Moon Beam and the War of the Witch Queen* Bethany Coffey, 2005-10 Dawn breaks and the world awakes to tragedy and horror Addressing a terrified crowd Bayla the Witch Queen announces that she has slain her own sisters the rulers of the land In her quest for power Bayla has gone mad and

declares herself supreme ruler Instead of cowering the creatures of the land unite and drive Bayla into the desert land of Nadura They build Jaden s Wall to ensure her final imprisonment For a while the world puts the memory of the Witch Queen and her madness in the past but few realize just how strong Bayla is becoming behind Jaden s Wall All too soon Bayla breaks free this time with an army of her own evil creation Moon Beam a free spirited Unicorn learns of the threat and calls for her clans to unite with the humans once more to destroy the evil forever Will Moon Beam live through the battle ahead or will her bravery and determination lead to her destruction **Our little ones.
