

A photograph of a sunset over a field. The sun is low on the horizon, casting a warm orange glow. In the foreground, there is a dark, textured surface, possibly a road or a field. In the background, there are hills and a road that curves into the distance. The sky is filled with soft, orange clouds.

Good night, Westley. Good

Good Night To Kill:

A Good Night to Kill Lillian O'Donnell, 1989-11-28 Homicide chief Norah Mulcahey investigating an apparent mugging turned fatal and the drowning of a mafioso's wife is hampered by the media's relentless interest *Charles Goodnight* J. Evetts Haley, 2012-09-06 An exciting story of a Texas Ranger adventurer and immigration officer who became a symbol of his age while gambling with death in the wild frontier regions of Texas, Arizona and Old and New Mexico Charles Goodnight knew the West of Jim Bridger, Kit Carson, Dick Wootton, St Vrain and Lucien Maxwell. He ranged a country as vast as Bridger ranged. He rode with the boldness of Fremont, guided by the craft of Carson. His vigorous zest for life enabled him to live intensely and amply and in this book by J. Evetts Haley himself, no stranger to the West, provides a fully readable and important western biography vividly told, thrilling, witty and completely authentic **The Goodnight Trail** Ralph Compton, 2025-09-23 Former Texas Rangers Benton McCaleb, Will Elliot and Brazos Gifford ride with Charles Goodnight as he rounds up thousands of ornery unbranded cattle for the long drive to Colorado. From the Trinity River brakes to Denver they'll battle endless miles of flooded rivers, parched desert and whiskey-crazed Comanches. And come face to face with Judge Roy Bean and legendary gunslingers like Clay Allison. For McCaleb and his hard-riding crew, the drive is a fierce struggle against the perils of an untamed land. A fight to the finish where the brave reach glory or die hard **Charles Goodnight** William T. Hagan, 2012-10-01 Charles Goodnight was a pioneer of the early range cattle industry, an opinionated and profane but energetic and well-liked rancher. Goodnight's story is now re-examined by William T. Hagan in this brief, authoritative account that considers the role of ranching in general and Goodnight in particular in the development of the Texas Panhandle. The first major reassessment of his life in seventy years, Charles Goodnight: Father of the Texas Panhandle traces its subject's life from hardscrabble farmer to cattle baron, giving close attention to lesser-known aspects of his last thirty years. Goodnight came up in the days when much of Texas was free range and open to occupancy by any cattleman brave enough to stake a claim. Hagan shows how Goodnight learned the cattle business and became one of the most famous ranchers of the Southwest. Hagan also presents a clearer picture than ever before of Goodnight's business arrangements and investments, including the financial setbacks of his later life. As entertaining as it is informative, Hagan's account takes readers back to the Palo Duro Canyon and the Staked Plains to share insights into the cattleman's life: riding the range, fighting grass fires, driving cattle to the nearest railhead, the very stuff of cowboy legend and lore. This fascinating biography enriches our understanding of a Texas icon **Be Brave to Things** Jack Spicer, 2021-11-09 Be Brave to Things shows legendary San Francisco Renaissance poet Jack Spicer at the top of his form with his blistering intelligence, painful, double-edged wit and devastating will to truth everywhere on display. Much of the poetry here has never before been published, but the volume also includes much out of print or hard to find work as well as Spicer's three major plays which have never been collected. Here one finds major unfinished projects, early and alternate versions of well-known Spicer poems, shimmering stand-alone lyrics and

intricate extended books and serial poems This new cache of Spicer material will be indispensable for any student of 20th century American poetry proffering a trove of primary material for Spicer's growing readership to savor and enjoy When your body brushed against me When your body brushed against me I remembered How we used to catch butterflies in our hands Down in the garden We were such patient children Following them from flower to flower Waiting and hoping With our cupped hands we used to catch them And they answered us with a soft tickle For they never stopped flying In bed I remembered them and cried for The touch of their fast wings the impatience Of their bright colors I am too old for such games But even tonight now your body has reminded me of butterflies I lie here awake pretending
