Illinois Now, 2004 **Calumet Beginnings** Kenneth J. Schoon, 2003 The landscape of the Calumet an area that sits astride the Indiana Illinois state line at the southern end of Lake Michigan was shaped by the glaciers that withdrew toward the end of the last ice age about 45 000 years ago In the years since many natural forces including wind running water and the waves of Lake Michigan have continued to shape the land The lake s modern and ancient shorelines have served as Indian trails stagecoach routes highways and sites that have evolved into many of the cities towns and villages of the Calumet area People have also left their mark on the landscape Indians built mounds farmers filled in wetlands governments commissioned ditches and canals to drain marshes and change the direction of rivers sand was hauled from where it was plentiful to where it was needed for urban and industrial growth These thousands of years of weather and movements of peoples have given the Calumet region its distinct climate and appeal

Mel Brooks in the Cultural Industries Alex Symons, 2012-08-06 Which strategies has Mel Brooks used to survive adapt and thrive in the cultural industries How has he gained his reputation as a multimedia survivor Alex Symons takes a unique artist focused approach in order to systematically identify the range of Brooks s adaptation strategies across the Hollywood film Broadway theatre and American television industries By combining a cultural industries approach together with that of adaptation studies this book also identifies an important new industrial practice employed by Brooks defined here as prolonged adaptation More significantly Symons also employs this method to explain the

so far neglected way that Brooks's adaptations have contributed towards changing production trends changes in critical attitudes and towards the ongoing integration of the cultural industries today An essential read for film students and scholars researching adaptation this refreshing new approach will also be valued by everyone studying the cultural industries
