**Read the Bible like a Mystic** Carl McColman, 2025-06-10 There is a better way to read the Bible with the eyes of a mystic and the heart of contemplation. Can the Bible be saved? More and more Christians are troubled by how difficult passages in the Bible can be used to promote sexism, homophobia, hostility to other faiths, and other problems, but a sterile academic reading of the sacred text seems spiritually unfulfilling. Carl McColman, author of *The New Big Book of Christian Mysticism*, reminds us that there is an ancient third way of approaching the Bible: reading scripture like a mystic. This contemplative approach to the Bible understands that much of the sacred text was never meant to be taken literally, yet this approach maintains that spiritual wisdom, guidance in prayer, and encouragement for meditation are encoded throughout the sacred text. Read the Bible like a Mystic will help Christians find an expanded relationship with their sacred textbook, and it will also invite all people, Christian and non-Christian alike, to bring together the wisdom of the written word with the wisdom of the contemplative life and the call to foster peace, justice, and equality in our world. Whether you come to the Bible from a preexisting interest in Christianity or mysticism, this book shows how contemplative wisdom unlocks the liberating power of the Word for our time.

*Reading the Bible Supernaturally* John Piper, 2017-04-13 The Bible reveals glorious things. And yet we often miss its power because we read it the same way we read any other book. In *Reading the Bible Supernaturally*, best-selling author John Piper teaches us how to read the Bible in light of its divine author. In doing so, he highlights the Bible's unique ability to reveal God to humanity in a way that informs our minds, transforms our hearts, and ignites our love. With insights into the biblical text drawn from decades of experience studying, preaching, and teaching Scripture, Piper helps us experience the transformative power of God's Word, a power that extends beyond the mere words on the page. Ultimately, Piper shows us that in the seemingly ordinary act of reading the Bible, something supernatural happens: we encounter the living God.

**Reading God's Word Today** George Martin, 2009-12-01 With persuasive instruction and personal examples, George Martin shows you how to read and understand Scripture in ways that help us hear what God is saying to us and that draw us nearer to him in prayer. In the most extensive revision yet of his best-selling classic *Reading Scripture as the Word of God*, this edition brings God's Word to life for beginners through seasoned veterans of Bible study. How can I get more out of reading Scripture? What can I do to understand Scripture more clearly? How can I hear what God is saying to me through Scripture? How should I apply the messages of the Bible to my life? Thus, the Bible becomes a window to God so He can speak to our hearts as well as our heads. The book begins with practical suggestions for reading

Scripture in order to understand both the context and the purpose for which it was written It goes on to discuss how God reveals himself through the words of Scripture and the role of the Holy Spirit as He speaks directly to you through the text Study guides at the end of each chapter interesting sidebars and directions to internet resources will stimulate personal reflection and also provide the basis for small group discussion of this eminently practical yet heart centered approach to understanding the Scriptures     Great Thoughts from Master Minds ,1908     **Gospel Herald** ,1923     *Getting the Word Across* G.
