Tiger Woods Lawrence J. Londino, 2010-05-20. This comprehensive biography of Tiger Woods looks at where he came from, his sports accomplishments, and philanthropic efforts, and the effect he has had on sports, history, marketing, and broadcasting. *Tiger Woods: A Biography*, Second Edition, updates the 2005 edition to examine the life and career of this phenomenal athlete through the 2009 PGA Championship. The book provides information about Woods's parents and his upbringing, early life, and outstanding accomplishments as a professional golfer. It also covers Tiger's philanthropic activities, including the Tiger Woods Foundation, a global organization that provides innovative educational opportunities to youth; the Tiger Woods Learning Center; and the Earl Woods Scholarship Program, established to honor the spirit and vision of Tiger's father. Recognizing that the opportunities Woods has had were hard won by early African American golfers who were denied the right to play on the PGA Tour until 1961, the book also includes a chapter on these pioneers. The volume is rounded out with a brief history of broadcasting and sports, as well as a look at the relationship between athletes and sponsors.
