Most Unlikely to Succeed - The Trials, Travels, and Ultimate Triumphs of a "Throwaway" Kid Nelson Lauver, 2011 Life in idyllic 1960s McAlisterville Pennsylvania seems so promising to young Nelson Lauver But undiagnosed dyslexia soon turns hope and optimism into struggle and shame as he falls far behind in school and is branded lazy Confused angry and determined not to be the dumb kid he chooses instead to become the bad kid ending up a loner at odds with the world and with himself Nelson resigns himself to being hopelessly different and joins the ranks of millions of Americans who try to hide their inability to read and write At age 29 a chance encounter leads to a diagnosis of dyslexia and a profound rebirth Ironically the boy who was afraid to have anyone hear him try to read launches a new career as a writer broadcaster and speaker An estimated 10 to 20 percent of Americans suffer from a learning disability 14 percent of American adults are considered functionally illiterate More than personalizing these sobering statistics this uplifting memoir goes beyond one man's account of rising above a learning disability Most Unlikely to Succeed is an inspirational story that will speak eloquently and profoundly to anyone who has ever struggled to be heard to

The Selected Works of Andrew Lang Andrew Lang, When the learned first gave serious attention to popular ballads from the time of Percy to that of Scott they laboured under certain disabilities The Comparative Method was scarcely understood and was little practised Editors were content to study the ballads of their own countryside or at most of Great Britain Teutonic and Northern parallels to our ballads were then adduced as by Scott and Jamieson It was later that the ballads of Europe from the Faroes to Modern Greece were compared with our own with EuropeanM rchen or children's tales and with the popular songs dances and traditions of classical and savage peoples The results of this more recent comparison may be briefly stated Poetry begins as Aristotle says in improvisation Every man is his own poet and in moments of stronge motion expresses himself in song A typical example is the Song of Lamech in Genesis I have slain a man to my wounding And a young man to my hurt Instances perpetually occur in the Sagas Grettir Egil Skarphedin are always singing In Kidnapped Mr Stevenson introduces The Song of the Sword of Alan a fine example of Celtic practice words and air are beaten out together in the heat of victory In the same way the women sang improvised dirges like Helen lullabies like the lullaby of Danae in Simonides and flower songs as in modern Italy Every function of life war agriculture the chase had its appropriate magical

and mimetic dance and song as in Finland among Red Indians and among Australian blacks The deeds of men were chanted by heroes as by Achilles stories were told in alternate verse and prose girls like Homer's Nausicaa accompanied dance and ball play priests and medicine men accompanied rites and magical ceremonies by songs These practices are world wide and world old The thoroughly popular songs thus evolved became the rude material of a professional class of minstrels when these arose as in the heroic age of Greece A minstrel might be attached to a Court or a noble or he might go wandering with song and harp among the people In either case this class of men developed more regular and ample measures They evolved the hexameter the laisse of the Chansons de Geste the strange technicalities of Scandinavian poetry the metres of Vedic hymns the choral odes of Greece The narrative popular chant became in their hands the Epic or the mediaeval rhymed romance The metre of improvised verse changed into the artistic lyric These lyric forms were fixed in many cases by the art of writing But poetry did not remain solely in professional and literary hands The mediaeval minstrels and jongleurs who may best be studied in L on Gautier's Introduction to his Epop es Fran aises sang in Court and Camp The poorer less regular brethren of the art harped and played conjuring tricks in farm and grange or at street corners The foreign newer metres took the place of the old alliterative English verse But unprofessional men and women did not cease to make and sing and Lyrics of Old France: With Other Poems Andrew Lang, 2024-02-29 Ballads and Lyrics of Old France With Other Poems is a captivating collection penned by Andrew Lang a versatile Scottish writer celebrated for his contributions to various literary genres Published in the late 19th century the anthology delves into the rich tapestry of Old French literature offering a poetic exploration of traditional ballads and lyrics from France's literary heritage Andrew Lang's keen interest in folklore mythology and classical literature is evident in this collection.
