Grammar Made Easy Jose K . C, 2012-03-15 Grammar through simple stories that is the approach in Grammar Made Easy Then follow discussions and plenty of exercises There are sections For Teachers to Think About and then a sample grammar quiz besides a section for a Question Bank

Good Grammar Made Easy Martin Steinmann, Michael A. Keller, 1999 For the professional writer the student working on a paper or anyone with a question regarding correct grammar this comprehensive guide arranged alphabetically provides all of the answers for writing grammatically correct American English From commas and semi colons to cliches idioms capitalization and more the information presented is clear and accessible the advice useful for everyday application in home office or school

English Grammar Made Easy Annie Antony, 2021-03-11 This book on grammar is designed to meet the requirements of all students both from English and Vernacular medium backgrounds It strictly complies with the new approach to the teaching of English Grammar Every aspect of Grammar starting from the Alphabet has been dealt with in a simple and easy way for the students to follow Copious illustrative examples and practice exercises have been provided in the book to help students handle the topics with confidence The grammatical structures vocabulary and communication skills will ensure a good command or mastery over the English language The exercises given after every topic have been framed keeping in mind the problems faced by my own students As a teacher in English for a number of years at Don Bosco High School Matunga Mumbai and St Xavier's High School and Junior College Virar for the Secondary and Higher Secondary Sections I have noticed that many students consider grammar a hard nut to crack something that goes above their head Hence throughout this book I have made an attempt to explain the various topics in the simplest way possible by giving simple examples Thus all efforts have been made to maintain the true nature of the book by keeping it true to its title English Grammar Made Easy The content of the book is useful not only for the students but also for the teachers and the general public interested in acquiring competence in English Language in an easy way In fact the students cannot read and study Grammar as they do with the other subjects It has to be taught and understood and for that the teachers have to be fully confident and sure of the Grammar topics they intend to explain Or else they would only be confusing the students and as a result the students do not take any interest in learning grammar and often it is sidetracked On the other hand if the topics are clearly explained and understood the students will definitely enjoy learning it and consider grammar an inevitable part of learning the language So this book could serve as a hand book or manual for the teachers and the learners as well enabling them to be familiar with the rules of the language I would certainly be glad to hear from teachers or students or the others using this book in the form of comments or suggestions of any kind

Everyday Grammar Made Easy Rodney M. Mebane, 2021 Need to refresh your grammar English grammar can be tricky at times and even though you may have learned the rules in school they are not consistent and often confusing Is it better to say It is between her and me or It is between she and I When should you use there they re or their Do not despair The good

news is that you know more than you think Whether you are learning it for the first time or would like to take your skills to the next level this book breaks down the complex rules of grammar to improve your writing and communication skills To make the learning experience practical for the real world there are numerous examples that showcase grammar principles found in everyday life in addition to quick tips and tricks on how to use them in both professional and social settings
