how to create instant rapport **Asian Material Culture** Marianne Hulsbosch, Elizabeth Bedford, Martha Chaiklin, 2009 This richly illustrated volume offers the reader unique insight into the materiality of Asian cultures and the ways in which objects and practices can simultaneously embody and exhibit aesthetic and functional characteristics as well as everyday and spiritual aspirations Though each chapter is representative rather than exhaustive in its portrayal of Asian material culture together they clearly demonstrate that objects are entities that resonate with discourses of human relationships personal and group identity formations ethics values trade and above all distinctive futures **To Have and Have Another** Philip Greene, 2012-11-06 In To Have and Have Another Ernest Hemingway enthusiast and cocktail connoisseur Philip Greene delves deeper into the author's drinking habits than ever before offering dozens of authentic recipes for drinks directly connected with the novels history and folklore and colorful anecdotes about the man himself With this cocktail companion you will be able to fully enjoy Hemingway's works beyond the limits of the imagination pick up this book and taste how cool and clean and civilized Frederic Henry's martini was in A Farewell to Arms or sip a Bloody Mary a drink rumored to be named by Hemingway himself **Displaced Heritage** Ian Convery, Gerard Corsane, Peter Davis, 2014 Considerations of the effect of trauma on heritage sites Good Success E. the dubious honorary title of philosopher Heller probes the concretely situated reflections of characters who must face a blind and irrational fate either without taking responsibility for the discordance of time or with a responsibility which may both transform history into politics and set right the time which is out of joint In the ruminations and undertakings of these characters Shakespeare's dramas present a philosophy of history a political philosophy and a philosophy of im moral personality Heller weighs each as distinctly modern confrontations with the possibility of truth and virtue within a human historical condition no less multifarious for its momentariness
