

THE GOOD MOTHER

Good Mother The

**Marie Thérèse de LAMOUROUS
(Biography.)**

Good Mother The:

Myths of Motherhood Sherry Thurer, 1995-05-01 This groundbreaking and irreverent history of motherhood is worth a hundred advice books for any mother who's ever been made to feel guilty or frazzled by society's impossible expectations. Analyzing data from the psychoanalyst's couch to the hidden history of wet nursing, psychologist Shari L. Thurer wends her way from the Stone Age to the age of Hillary Rodham Clinton, painting a vivid, often frightening picture of life for mothers and children in a time when their roles were constructed by men. Along the way, she debunks myth after myth, exposing the not-so-golden ages of Classical Greece and the Italian Renaissance and revealing the pervasive ideal of Dr. Spock's selfless stay-at-home mother as the historical aberration it actually was. A work of impassioned scholarship and astonishing range, *The Myths of Motherhood* does nothing less than recast our conception of good mothering.

The Good Mother Susan Goodwin, Kate Huppatz, 2010 *The Good Mother* brings together essays on the contemporary relevance of the good mother in Australia. Although the ideals of the good mother change with time, fashion, and context, they persist in public policy, the media, popular culture, and workplaces. They place pressure on women to conform to particular standards against which they are judged and judge themselves. This book captures the diversity of contemporary women's experiences. Chapters address the experiences of executive mothers, mothers working in manual trades, yummy mummies, and slummy mummies, low-income mothers, single mothers, Indigenous mothers, lesbian parents, adoptive mothers, and mothers negotiating schools and school choice. The essays demonstrate that while the good mother is no longer exclusively white, heterosexual, economically dependent, and child-focused, prevailing ideas about mothers and motherhood continue to influence the way types of women are represented and the way that all mothers think, act, and present themselves.

The Good Mother Myth Nancy Reddy, 2025-01-21 Timely and thought-provoking, Nancy Reddy unpacks and debunks the bad ideas that have for too long defined what it means to be a good mom. When Nancy Reddy had her first child, she found herself suddenly confronted with the ideal of a perfect mother: a woman who was constantly available, endlessly patient, and immediately invested in her child to the exclusion of all else. Reddy had been raised by a single working mother, considered herself a feminist, and was well on her way to a PhD. Why did doing motherhood right feel so wrong? For answers, Reddy turned to the mid-20th-century social scientists and psychologists whose work still forms the basis of so much of what we believe about parenting. It seems ludicrous to imagine modern moms taking advice from mid-century researchers. Yet their bad ideas about so-called good motherhood have seeped so pervasively into our cultural norms. In *The Good Mother Myth*, Reddy debunks the flawed lab studies, sloppy research, and straightforward misogyny of researchers from Harry Harlow, who claimed to have discovered love by observing monkeys in his lab, to the famous Dr. Spock, whose bestselling parenting guide included just one illustration of a father interacting with his child. This timely and thought-provoking book will make you laugh, cry, and want to scream, sometimes all at once. Blending history of science, cultural criticism, and memoir, *The Good Mother Myth* pulls back the curtain on the flawed social science behind our

contemporary understanding of what makes a good mom Select Moral Tales. (The Good Mother.-The Shepherdess of the Alps.-The Happy Divorce.-The Partial Mother.) Translated from the French [of J. F. Marmontel.] By a Lady [Miss R. Roberts].,1763 The Good Mother Myth Avital Norman Nathman,2013-12-31 In an era of mommy blogs Pinterest and Facebook The Good Mother Myth dismantles the social media fed notion of what it means to be a good mother This collection of essays takes a realistic look at motherhood and provides a platform for real voices and raw stories each adding to the narrative of motherhood we don't tend to see in the headlines or on the news From tales of mind bending panic inducing overwhelm to a reflection on using weed instead of wine to deal with the terrible twos the honesty of the essays creates a community of mothers who refuse to feel like they're in competition with others or with the notion of the ideal mom they're just trying to find a way to make it work With a foreword by Christy Turlington Burns and a contributor list that includes Jessica Valenti Sharon Lerner Soraya Chemaly Amber Dusick and many more this remarkable collection seeks to debunk the myth and offer some honesty about what it means to be a mother **The Good Mother's Legacy**, 1795 Good Mother, Bad Mother Gina Ford,2012-03-31 Pressurised by the media scrutinised by their peers frowned upon even by those closest to them mothers today face relentless criticism and pressure Breast or bottle Work or stay at home Routine or feeding on demand The choices are infinite and at the heart of each question is the more controversial and divisive debate of what makes a good mother Good Mother Bad Mother is an illuminating moving and thought provoking study of this enigmatic question Never before has the subject of motherhood been tackled with such unflinching honesty Drawing on her experience of thousands of mothers bestselling parenting author Gina Ford has turned her attention to the women charged with bringing up the next generation She addresses the challenges of contemporary motherhood and fervently argues that these awe inspiring women seldom receive the support respect and admiration they deserve And for the first time in a candid personal account Gina interweaves stories from her own childhood revealing how her relationship with her own mother has shaped the choices she has made Any woman who has ever doubted her capabilities as a mother will find comfort and reassurance in the insights of the woman whose books have been justly described a godsend **The Good Mother** Shanell Keys,2012-03-26 Five years after Blank Slate left off Jen Morrison is living her dream life She has a loving husband and two sons who she adores Maybe her family didn't come together in the most conventional way but it works for her She had her older son Danny with her ex husband They divorced when Danny was just a baby Then she married John who is the love of her life and they adopted Derek together when his mother was sent to prison Everything seems perfect and Jen is always complimented on being a wonderful mother But then strange things start to happen Suddenly Jen is forgetting things and people are starting to question her abilities as a parent as well as her sanity Then one day Derek vanishes into thin air and Jen is left trying to put the pieces together and bring her son home before it's too late *First Find Your Child a Good Mother* Paul Riesman,1992 Through a systematic comparison of the life circumstances child rearing practices and personalities of the FulBe and their former slaves

the RiimaayBe this book develops an alternative theory of the way personality is formed in the Fulani society of West Africa Riesman discusses the different characters economies and life plans of adult men and women of both groups focusing on their ideas about the value of relatives He further presents detailed observations of child rearing practices and concludes that the FulBe and RiimaayBe do not differ in these practices Contrasting Fulani and Western notions of parenting he suggests that child rearing practices are themselves irrelevant to the formation of adult personality but that a people s ideas about the meaning of life social relations and the development of character are very important Finally Riesman outlines a sociocultural theory of personality and its formation and uses this theory to make sense of the differences between FulBe and RiimaayBe

The Good Mother Goose Catherine Elaine McPherson,2019-08-19 Recognizing the power of words on the hearts of young children Catherine set out to give the familiar Mother Goose nursery rhymes a Christian twist The rewritten verses emphasize positive qualities instead of the sometimes dubious meanings For example we remember Peter Peter pumpkin eater Peter had a wife but couldn t keep her so he put her in a pumpkin shell and there he keeps her very well Unfortunately for Mrs Pumpkin eater it sounds like she may be in the pumpkin shell against her will And furthermore Mr Pumpkin eater comes off as a bully Wouldn t the following verse be a kinder gentler version Peter Peter pumpkin eater had a wife and loved to please her He bought for her a pumpkin shell they live there now and all is well A picture of a happy couple The Good Mother Goose not only provides revisited verses but original poems and nursery rhymes accompanied with appropriate Bible verses Parents will find teaching their children poetry a fun and meaningful way to incorporate positive values and scripture in a meaningful way

The Life of Mdlle. de Lamourous, Commonly Called "The Good Mother." Marie Thérèse de LAMOUROUS (Biography.),1859 Good Mother Damien Atkins,2009 Kate has been through the fire with her three children Having been left devastated and homeless after her husband s affair and the break up of their family somehow she has pulled through Though times are still tough she s beginning to see the start of a new life But when twelve year old Jesssica is diagnosed with cancer Kate s resilience is put to the ultimate test She has an eighteen year old son consumed with hatred of his father a seven year old who is bewildered and acting up and an ex husband who won t face up to his responsibilities And in the middle of it a beloved child who is trying to be brave but is getting sicker by the day Kate knows she must put to one side her own fear and heartbreak and do right by her children particularly Jessica But maybe doing the right thing means doing the unthinkable Understanding the Borderline Mother Christine Ann Lawson,2002-07 The first love in our lives is our mother Recognizing her face her voice the meaning of her moods and her facial expressions is crucial to survival Dr Christine Ann Lawson vividly describes how mothers who suffer from borderline personality disorder produce children who may flounder in life even as adults futilely struggling to reach the safety of a parental harbor unable to recognize that their borderline parent lacks a pier or even a discernible shore Four character profiles describe different symptom clusters that include the waif mother the hermit mother the queen mother and the witch Children of borderlines are

at risk for developing this complex and devastating personality disorder themselves Dr Lawson s recommendations for prevention include empathic understanding of the borderline mother and early intervention with her children to ground them in reality and counteract the often dangerous effects of living with a make believe mother Some readers may recognize their mothers as well as themselves in this book They will also find specific suggestions for creating healthier relationships Addressing the adult children of borderlines and the therapists who work with them Dr Lawson shows how to care for the waif without rescuing her to attend to the hermit without feeding her fear to love the queen without becoming her subject and to live with the witch without becoming her victim A Jason Aronson Book The Interpersonal Theory of Psychiatry Harry Stack Sullivan,2013-11-05 Tavistock Press was established as a co operative venture between the Tavistock Institute and Routledge Kegan Paul RKP in the 1950s to produce a series of major contributions across the social sciences This volume is part of a 2001 reissue of a selection of those important works which have since gone out of print or are difficult to locate Published by Routledge 112 volumes in total are being brought together under the name The International Behavioural and Social Sciences Library Classics from the Tavistock Press Reproduced here in facsimile this volume was originally published in 1955 and is available individually The collection is also available in a number of themed mini sets of between 5 and 13 volumes or as a complete collection Marginalized Mothers, Mothering from the Margins Tiffany Taylor,Katrina Bloch,2018-10-08 This volume examines the barriers and borders that marginalize mothers and their efforts to be good mothers and how they mother as a form of resistance to these barriers and borders *Sermons and sayings, ed. by W.M. Leftwich* Samuel Porter Jones,1887 **A Year with the Mother-play** Andrea Hofer Proudfoot,1902 **Documents of the Assembly of the State of New York** New York (State). Legislature. Assembly,1899 **Once a Week** S. Lucas, *The Miracle Play of Hasan and Husain* ,1879
