If I spread the Good News, I have nothing to brag about because I have an obligation to do this. How horrible it will be for me if I don't spread the Good News!

Good News In Corinthians:

Good News for Moderns Nero James Pruitt, 2015-06-27 There are many ways to be a Christian In Good News for Moderns author Nero James Pruitt shows that within the pages of the New Testament there is room for a diversity of Christianities This is a diversity that is not talked about often but when properly understood expands the perception of what a Christian is Consider the words of Justin Martyr the second century Christian writer recognized as a saint by the Catholic Church the Anglicans and the Eastern Orthodox in about 150 AD We are taught that Christ is the first born of God and we have shown that He is the reason word of whom the whole human race partake And those who live according to reason are Christians even though they are counted atheists Such were Socrates and Heraclitus among the Greeks and those like them Consider the words of John Adams the second President of the United States in 1816 The Ten Commandments and the Sermon on the Mount contain my religion Consider the words Bill Clinton the forty second President of the United States In 1955 I had absorbed enough of my churchs teachings to know that I was a sinner and to want Jesus to save me Finally consider the words of the writer of the small New Testament Book of III John Whoever does good is from God Good News for Moderns is based on Pruitts reading of the scriptures and over one hundred authors of various points of view In our busy time it is brief slightly more than one hundred thousand words supplemented by slightly less than one hundred thousand words of end notes It recognizes that human life moves by fast in what seems like an infinity of time and space and the book closes this way By listing many who have come before us and the immensity of time and space I have underscored the brevity of our lives because as a Psalmist taught recognizing our own mortality is the path to wisdom [The Good News: One Man's Journey Through the Bible](#) Charles M. Miller, 2025-07-29 The work in this book was put together as a devotional to the deeply felt and wonderful study of God s Word the Bible In it through my many sources I have arranged well over fifty topics or subjects if you will along with the chapters and verses in the Bible that reflect the Bible s view concerning these topics As a devotional my book is arranged for you to pick whichever topic or group of topics that interests you My ultimate purpose in putting together this book is to help EVERYONE and ANYONE in THEIR UNDERSTANDING of THE WORD OF GOD the Bible Yes from the most sinful person to the most devoted from the most intellectual to the least capable of understanding Yes from the strong to the weak my purpose is to help ANYONE and EVERYONE to read and understand the Bible Bless you all

[Enjoy the Good News](#) Alan Hogan, 2016-06-30 After more than 50 years as a lawyer having been a clerk Judge s associate barrister solicitor law teacher and five various types of judicial officer Alan Hogan decided to retire in order to do something different He obtained a Masters degree majoring in Biblical Studies at the Catholic Institute of Sydney He was astonished at how little he had known about the fundamental documents of his religion This book is an attempt to share some of what he learnt about the New Testament with other Catholics and with anyone else who may be interested It is not so much a book about the New Testament as a plan for reading all the books that go to make it up roughly in the order in which they were

written with such additional information as to make available the message that each author intended to convey

Rediscovering the Good News of the Gospel Bruce E. Gibson, 2025-09-30 Historically methods of sharing the good news of the gospel have often been incomplete because the limited message has focused on sin sin removal avoidance of hell and ultimately heaven Within that context each group offers its guaranteed process sometimes sold as the exclusive process to avoid hell because avoiding hell seems to have been the best motivation to make converts As a result the gospel is often not perceived as life giving good news but as an allegiance to a religious team to avoid wrath and punishment And teams compete against other teams Consequently a growing number of people are walking away from the good news as presented This is particularly polarizing when the available responses seem to vacillate between the extremes of embracing the methods and traditions hook line and sinker without asking questions or forsaking the gospel the church and God To address this situation Bruce E Gibson verbalize questions that he thinks other Christians contemplate but do not have a safe place to discuss Join the conversation to embrace and address these questions *Commentary on First Corinthians (Commentary on the New Testament Book #7)* Robert H. Gundry, 2011-11-01 Delve Deeper into God's Word In this verse by verse commentary Robert Gundry offers a fresh literal translation and a reliable exposition of Scripture for today's readers Gundry unpacks this first letter of Paul to the church in Corinth addressing the pressing issues the church faces issues many churches face today as well Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry's nontechnical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations This selection is from Gundry's *Commentary on the New Testament* **1 and 2 Corinthians** Grant R. Osborne, Philip W. Comfort, 1999 The Life Application Bible Commentary series is the only commentary to offer sermon and lesson applications alongside stirring commentary This volume provides in depth explanation background and application for every verse in the books of 1 2 Thessalonians Perfect for sermon preparation and lesson planning this one of a kind reference provides excellent quotes and a bibliography for additional commentary Additional features include Charts diagrams and maps on the same page as their related verses Quotes from various versions such as the NIV NRSV and NLT Key information graphically highlighted **The Complete Kakoulides New Testament** Harris Kakoulides, 2025-09-22 Preface This is a complete translation with notes The translation is given by Harris Kakoulides who is host of the Mr Kakoulides and the Bible Podcast Other translations was used to compare when translating the greek Like WEB KJV Young William ASV Darby and many more WEB was use in the cases where the translator did not translate from the greek And many longer readings of the Textus Receptus was prefer although other Greek translations was used This translation and notes are free to copy and is in Public Domain so anyone can share it and quote it with no problems from the translator The Book of Revelation was reorganised with notes no words or sentences was taken away or added so the reader could see Parallel Numbered Judgments view of Revelation I was really hoping to finish this edition by this year then do some other editions with more notes if God allows I always wanted to translate the

New Testament and add notes making it to a Study Bible and now I was able to do it praise be to God Added information The Kakoulides New Testament is a Bible translation by Harris Kakoulides a Bible teacher and podcast host with explanatory notes It is an independent project not a product of a large publishing company or denominational committee Key characteristics of the Kakoulides New Testament Translated by a single author The translation and notes were created by Harris Kakoulides It was a long term project that experienced setbacks including a fire the previous work was destroyed and the passing of his wife from cancer Public domain and free to use The work is released into the public domain meaning anyone is free to copy and share it Compares against other translations Kakoulides compared his translation from the Greek to other English versions such as the King James Version KJV American Standard Version ASV and Darby among others Preference for longer readings The translation shows a preference for the longer readings found in the Textus Receptus which is the basis for many Reformation era translations like the KJV rather than the shorter readings typically favored by modern critical texts Unique formatting in Revelation Kakoulides reorganized the Book of Revelation to present a Parallel Numbered Judgments view with the aim of helping the reader understand the text He notes that no words or sentences were added or removed in the process Study notes included The text includes study notes and introductions to various books **1**
