Three Introductory Lectures on the Science of Language Friedrich Max Müller, 1899 **Maximizing the Impact**

of Coaching Cycles Gene Tavernetti, 2023-08-25 Coaching cycles are the most impactful contact a coach can have with teachers but they are also the activity that requires the highest level of skill Collaboratively planning and observing lessons and giving supportive feedback on those lessons is the best way to improve the effectiveness of teaching and therefore student outcomes Yet this core activity is often undermined by the myriad other demands on a coach's time This book addresses the issues roadblocks and fears faced by coaches and administrators in effectively launching and facilitating a program of coaching and takes you through the coaching cycle itself in practical applied and no nonsense steps that will help you maximize its impact If you are a coach a coach of coaches or an administrator following the suggestions in this book will help you achieve a much larger return on your coaching investment There will be more teachers coached increased instructional effectiveness and ultimately increased student achievement *Recreation*, 1903 Shoot Like the Pros Adam Filippi, 2011-02-01 Shooting is the most important fundamental skill in basketball but despite being the skill players are the most willing to practice shooting technique is perhaps the least taught fundamental of the game In addition there are very few instructional basketball books dedicated exclusively to shooting Shoot Like the Pros is perhaps the most detailed analysis of shooting mechanics covering every aspect of shooting ever published Divided into seven sections it covers shooting mechanics the mental aspects of shooting free throws game situations strength and conditioning teaching methods and finally workout drills for advanced levels Including tips from some of the NBA's biggest stars this is a book that will give both players and coaches at all levels proper direction on how to improve shooting technique Fur Seal Arbitration Bering Sea Tribunal of Arbitration, 1895 Tactical Decision-Making in Sport David Cooper, Barrie Gordon, 2020-05-28 This book expands on the Developing Thinking Players model across a wide range of team and individual sports to explain how coaches can help athletes to learn how to make better decisions during play and to think for themselves It provides an overview of game centred and athlete centred approaches to teaching and coaching in sport combining essential theory with practical tips and guidance Written by an international team of coaching researchers and practising coaches the book provides sport specific instructions for coaching players in territory games net games striking games target games racquet games and combat sports including netball basketball ice hockey cricket softball football rugby volleyball squash and karate The book argues that the implementation of these student and athlete centred approaches creates more opportunities for athletes to understand their sport and improves their ability to think for themselves and to learn to make better in game decisions Providing a theoretical underpinning for teaching tactical decision making it considers the development of players at all levels and age groups from youth athletes to elite level Thirteen sport specific case studies offer real world coaching insights

This is essential reading for any student researcher or practising teacher or coach working in sport physical education and coach education

Nowhere Man Mallory James, 2018-10-01 I never thought that I would be here Things like this happened to other people Not to me I was about to be fired In a small Midwestern town a school superintendent commits social suicide when he divorces his wife He s shocked when his marriage collapses but he s even more bewildered by the community s reaction He is now the sinner pariah and villain For someone who so loves the limelight this is not the attention he wants so he does his best to escape seeking solace on the open road Even far away from home though he s haunted by what awaits him when he gets back He s not prepared for the hateful glares from neighbors or bloodthirsty school board members his particular nemeses Death and divorce despair and disillusionment follow this man as he faces life altering changes in his personal and professional lives Without his marriage who is he Without his career what is he He is forced to face problems and flee others all while struggling to reinvent himself Robbed of the joys he once knew he must find a new purpose eventually realizing that rebirth is painful but worth the reward
