## **Good Spirits Bad Spirits How To Distinguish Between Them:**

Good Spirits, Bad Spirits Sue Lim, 2002 Good Spirits Bad Spirits How to Distinguish Between Them is an explanation of the invisible world of occult spirits variously known in the New Age as channeled Spirits spirits from God God himself spirits of sorcery or magic and prophetic spirits Good Spirits gives the reader a broad overview of occult spirit Intentionality embodied in hidden goals and multi generational plans Given the benefit of an eternity in which to achieve their goals occult spirits have honed the tricks of their supernatural trade to a fine art the art of persuading humans This skill is evident in channeled books such as Conversations with God and Messages from the Masters Through channeling and other means of contact such as the harmless ouija board occult spirits can wage spiritual and sometimes physical destruction in the lives of ordinary individuals The purpose of the spirits are most easily achieved through their creation of the famous personality whom they shepherd from childhood By lending their human agents the use of apparent occult powers such as contacting of the dead and foreseeing the future the spirits are able to spread their influence over the many while concealing their own malicious motives
