Uncle Tom's Cabin: Selections Harriet Beecher Stowe, 2023-02-21 Uncle Tom's Cabin may well have excited more controversy than any other work of fiction in American history Welcomed by many abolitionists and met with indignation by supporters of slavery it gave crucial impetus to the antislavery movement and its characters and dramatic scenes were quickly absorbed into the nation's consciousness at the same time its employment of racial stereotypes and emphasis on Christian nonresistance in the face of violence left behind a troubling legacy that was debated by black Americans in the nineteenth century and that culminated in the popular tradition of Tom shows that persisted well into the twentieth century With a brief but robust introduction judicious selection of the most essential and frequently taught portions of the novel and examples of contemporary responses this abridged edition of Harriet Beecher Stowe's antislavery classic provides an overview of the novel's plot themes and rhetorical strategies and is ideal for classroom use
