L. Cottrell, 2014-10-29 The Light people thought they knew everything there was to know about their unique existence but they were wrong Their new enemies possess untold Dark power and for the first time ever they don't know what to expect and they don't know how to win But Gabe and Marianne won't admit defeat They'll hold on to one another and they'll stay firm in their belief that they and their comrades can save their dying country No matter what happens they won't give up Because the only thing worse than losing is not daring to fight at all The Light Trilogy contains adult content This book contains a very brief scene involving sexual violence and one scene of attempted sexual violence **TROUVAILLE** Dr. Alok Kumar Ray, 2021-03-24 Trouvaille the international poetry anthology consisting poems of 15 poets of international fame tries to unite the poets of the East and West for the cause of humanitarian understanding and goodwill Here diverse thoughts expressions and viewpoints are mingled together to redeem universal brotherhood In these days of all out degradation this anthology stands for transnational fraternity fellowship and acceptance of the age old dictum of human bonding to rescue human civilization from the threshold of deluge Readers of all age groups coming from cross cultural background after reading this book will be swayed by unfathomable emotional outrage Each poem included in this international treasure of creative minds called Trouvaille brings to mind a benumbed sensation of joy and jollity embedded in poetic terms One of the outstanding features of this book is that it contains 15 numbers of translated Odia poems And the readers will invariably see how the fountain of thoughts flow underneath surpassing geographical and socio cultural divisions English versions of these poems are also included in this anthology to suit the ecstatic needs of our esteemed readers This poetry anthology is not judgemental rather it seeks to provide an even playing field for the readers to feel and think Our readers will be at the helm of truth or nearer to

bigger truths and greater realisation after going through the glossy pages of this book Guernica may not have recruited soldiers to the Spanish cause but it definitely did harness the conscience of the world And I presume Trouvaille will play this type of role effectively The present world is giving lip service to the very idea of social and environmental justice and profit in lieu of any cost has become the norm Hence we are required to sing our songs in the face of all varieties of hurdles that threaten our very living to guard ourselves against the evil forces of parochialism and intolerance As all of us know poetry by itself cannot change the world but can create an ambience for dialogue on the lines of that change by hammering on our human instincts like values of compassion empathy camaraderie and shared common humanitarian goals It is considered one among the basic and towering defense against our ill fate and misdeeds Albeit chaos of all sorts a gloomy atmosphere poetry has the guts to rejuvenate the human soul Leonardo da Vinci once said painting is poetry that is seen rather than felt and poetry is painting that is felt rather than seen Our wishful readers I can bet will embark on a journey of aesthetic feelings while going through virgin pages of Trouvaille This is our humble initiative to enjoin broken hearts of humanity to ensure bridging of different cultures and uniting nations through words thereby paving the way for cross cultural diversity The voice of poets included in this poetry anthology will help to transform earthly lies into meaningful aphorisms I am optimistic that this book will become one of the most acclaimed means to bring us out of the global problems Hope the readers will find this book very much fascinating and valuable in spreading the gospels of humanity through out our planet After taking a holy dip in this confluence of divine poetic thoughts camouflaged as brooks they will bring back home only serenity for sure I am sure Trouvaille the edited poetry anthology will be considered as a lucky find for our beloved readers and they will treat it as their trusted companion for ever **The Bridgemen's Magazine** ,1913 **The Smart Dad's Guide to Daughters** Jess
