**Materials** Richard P. Smiraglia, 2016-11-14 This fourth edition was prepared in 2015 2016 as a supplementary text for a graduate music cataloging course This edition is rewritten to a large extent to conform to the new instructions and paradigms represented in Resource Description and Access RDA RDA instructions for printed music recorded music and music video are accompanied by advice examples illustrations and complete catalog records including versions in MARC21 format Consistent with RDA the chapter on form and choice of access points found in earlier editions is gone replaced with a chapter on authorized access points The concept of uniform title has evolved into the concept of the preferred title as part of an authorized access point which might require manipulation and addition of some elements for disambiguation and collocation Only three chapters are used for description of printed music sound recordings and video recordings Many of the older LP examples were removed as were VHS video recordings Multimedia packages are now rare in the marketplace but streaming audio and video are quite evident so examples now include those media Facsimile examples from the third edition have been retained and many new examples have been added Most catalogers today are using RDA in combination with MARC21 Accordingly in an appendix we have rendered each example in MARC21 format using the OCLC Connexion approach to MARC21 record formatting A lengthy bibliography in earlier editions has been replaced by a brief list in the introduction with pointers to online resources that are both current and constantly updated by working catalogers Billy Joel Joshua S. Duchan, 2017-06-16 Despite his tremendous success Billy Joel s gifts as a composer and commentator on American life are long overdue for a thorough investigation In *Billy Joel America s Piano Man* music historian Joshua S

Duchan looks at the career and music of this remarkable singer songwriter exploring the unique ways Joel channels and transforms the cultural life of a changing America over four decades into bestselling song after song and album after album Billy Joel has not always enjoyed the acclaim of music critics who have characterized his music as inauthentic and lacking a uniqueness of style Duchan corrects this misunderstanding by exploring the depth and degree to which Joel s songs engage with social cultural political and economic issues Organized by major themes and including original interviews with Joel himself Duchan s book delves into Joel s endeavors as a musician lyricist and commentator on questions of geography and regionalism politics working and middle class culture human relationships and the history of music itself Duchan draws on key songs from Joel s career to explore each theme from his folk like lament for Long Island s changing industry and lifestyle in The Downeaster Alexa to his emotional ode to Vietnam veterans in Goodnight Saigon Original interviews with Billy Joel blend with Duchan s engaging analysis to provide readers of all backgrounds and ages a new look at these unforgettable songs Music lovers and historians of both the academic and armchair variety will find this exploration of Joel s work a rewarding adventure into America s social cultural political economic and above all musical history
