attention to the currency of discourses on difference in contemporary theories as well as in biblical studies the author critically examines the hermeneutical relevance of a contextual and relational understanding of difference He applies it to interpret the dynamics of Jew Gentile difference reflected particularly in meal practices Gal 2 1 21 and Rom 14 1 15 13 of early Christian communities Paul and the Politics of Difference argues that by deconstructing the hierarchy of social relations underlying the Jew Gentile difference in different community situations Paul promotes a politics of difference This affirms a preferential option for the socially weak solidarity with the weak Paul s politics of difference is invoked as the potential for liberation in a vision of egalitarian justice in the face of contemporary globalism s proliferation of difference *Nightingales on Call* Donna Douglas,2014-04-24 From the author of *The Nightingale Girls* *The Nightingale Sisters* and *The Nightingale Nurses* perfect for fans of *Call the Midwife* 1937 sees new challenges for the trainee nurses Dora and her old enemy Lucy are paired up on the children s ward for the final three months of their training The two nurses couldn t seem more different but they may have more in common than they think as each hides a secret heartache and new faces at the Nightingale Jess is the feisty eldest daughter of a notorious East End family and determined to prove herself as a ward maid And new trainee nurse Effie can t wait to escape her small Irish village and make her way as a nurse in London But Effie s sister Katie soon begins to worry that Effie s behaviour is out of control *Nightingales on call* and in crisis have they got what it takes **District of Columbia Appropriations** United States.
