## **Gospel According To John:**

**The Gospel According to St. John** C. K. Barrett, 1978-12-01 In this useful work C Kingsley Barrett offers an insightful commentary on the book of John Barrett seeks to view John in light of a variety of contexts including that in which it was written and its implications for modern day readers The book includes detailed notes and commentary on each chapter of John's Gospel The Gospel According to John Floyd Vivian Filson, 1963 The Gospel of John Rudolf Bultmann, 1971

*The Gospel According to John* Thomas L. Brodie, 1993-07-29 This commentary expands Johannine studies in two directions First drawing on the methods of literary criticism it gives new force to a view which is both ancient and modern that John's gospel far from being a poorly edited mixture of sometimes conflicting traditions is in fact a coherent unity an account of Jesus which however diverse its sources is a finely chiselled work of art Second it indicates that the unity of John's gospel is founded ultimately not on history or theology but on spirituality This too corresponds to a view which is both very old John was always known as the spiritual gospel and very recent The present study spells out that idea in new detail It indicates that the account of Jesus is so written that the tensions and complexities of the text reflect the tensions and complexities of human life providing the reader not only with an account of Jesus but also with an anthropology a map of the development of the human spirit *Reading the Gospel of John* Kevin Quast, 1991 A popular up to date comprehensive introduction to the Gospel of John made accessible for the educated lay person

**The Gospel of John** F. F. Bruce, 1994-10-18 This popular verse by verse exposition of John based on Bruce's own translation of the Gospel reflects Bruce's customary ability to make the benefits of his scholarship accessible to the general reader Footnotes and bibliography are included pointing the reader to resources for further study *The Gospel of John in Modern Interpretation* Stanley E. Porter, Ron C. Fay, 2018-10-30 The Gospel of John in Modern Interpretation provides a unique look at the lives and work of eight interpreters who have significantly influenced Johannine studies over the last two centuries The chapters contain short biographical sketches of the scholars that illuminate their personal and academic lives followed by summaries and evaluations of their major works and concluding with an analysis of the ongoing relevance of their work in contemporary Johannine scholarship Key thinkers surveyed include C H Dodd Rudolph Bultmann Raymond Brown Leon Morris and R Alan Culpepper An introduction and conclusion by general editors Stanley Porter and Ron Fay trace the development of Johannine scholarship from F C Baur to the present and examine how these eight scholars contributions to Johannine studies have shaped the field Anyone interested in the recent history of the study of John will find this volume indispensable The Gospel of John Edgar Johnson Goodspeed, 1917 *The Gospel According to John* Oliver B. Greene, 1966 I have long been aware of the need for a verse by verse commentary on The Gospel of John and the Lord has laid it on my heart to attempt such an exposition John's Gospel is long and in many places quite detailed Its presentation therefore will require more than one volume and will involve many months of study and dedicated work Since The Gospel According to John is known as the

salvation Gospel it should be understood by and made familiar to all who are interested in soul winning Its message should also be presented with such clarity and power as to make it effective in reaching the hearts of sinners who read it This I have tried to do in this volume and in those that will follow The key to John s Gospel is found in chapter 20 verses 30 and 31 And many other signs truly did Jesus in the presence of his disciples which are not written in this book but these are written that ye might believe that Jesus is the Christ the Son of God and that believing ye might have life through his name John presents Christ as the Eternal Word incarnate very God in flesh revealing God in the terms of a human life The details recorded in John s Gospel are sufficient evidence of his personal association with the people and the experiences of which he writes In fact he stresses the word witness using it frequently to set forth the verified facts of that personal experience Foreword of Volume 1

**The Gospel of John** Francis J. Moloney, Daniel J. Harrington, 1998 A Michael Glazier book Includes bibliographical references and indexes

*The Gospel of John* James Montgomery Boice, 1999 Focusing on Jesus coming to earth this commentary helps readers move beyond a cursory look at John s Gospel into a deeper more accurate understanding

Kruse, 2004 The Tyndale New Testament Commentaries have long been a trusted resource for Bible study Written by some of the world s most distinguished evangelical scholars these twenty volumes offer clear reliable and relevant explanations of every book in the New Testament These Tyndale volumes are designed to help readers understand what the Bible actually says and what it means The introduction to each volume gives a concise but thorough description of the authorship date and historical background of the biblical book under consideration The commentary itself examines the text section by section drawing out its main themes It also comments on individual verses and deals with problems of interpretation The aim throughout is to get at the true meaning of the Bible and to make its message plain to readers today Book jacket

*The Gospel of John* Judith Schubert RSM, 2016-08-23 The Gospel of John Question by Question provides useful material and a format that will enhance both introductory courses in the Gospel of John and adult study groups Other publications on the topic offer comments on every chapter of the Gospel or topical explanations of the Gospel s subject matter This book combines these two practices often in that it provides brief commentary on biblical texts and periodically provides background on a topic relative to the Gospel The book consists of twenty chapters Each chapter includes an Introduction of pertinent information that will be helpful before reading the biblical text One of the main features of the book surfaces in the Questions that appear in each chapter which help clarify the meaning and message of the text and its context These questions intend to clarify the issues of each chapter by raising an inquiry into an unclear issue Answers appear in the second section of the book so as to provide the opportunity for the reader to discover the answer before turning to responses that have been provided for each question At the end of the Questions in each chapter a Conclusion will summarize the chapter and advance the reader to the next chapter

The Gospel of John Frederick Dale Bruner, 2012-02-22 The author of a much loved two volume Matthew commentary 1990 that he greatly revised and expanded

fourteen years later Frederick Dale Bruner now offers *The Gospel of John A Commentary* more rich fruit of his lifetime of study and teaching Rather than relying primarily on recent scholarship Bruner honors and draws from the church's major John commentators throughout history including Augustine Chrysostom Aquinas Luther Calvin Bultmann Barrett and many more Alongside this historical interpretation is Bruner's own contemporary interpretation which incorporates a lucid translation of the text references to recent scholarship and his pastoral application of the Gospel to present day experience Like Bruner's other work this commentary is rich in biblical insights broadly historical and deeply theological Here is what Eugene Peterson said about Bruner's earlier work on Matthew This is the kind of commentary I most want a theological wrestling with Scripture Frederick Dale Bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about God and ourselves His Matthew commentary is in the grand traditions of Augustine Calvin and Luther expansive and leisurely loving the text the people in it and the Christians who read it The same could well be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike *The Gospel of John*, 1975

**The Gospel of John, Volume One** William Barclay, 2001-11-01 The Gospel according to Saint John is to many people the most precious book in the Bible states William Barclay In order to help uncover the tremendous wealth of this Gospel Barclay has provided his own unique translation of the text a detailed commentary and a comprehensive introduction This new edition will help bring the book in which many people find themselves closer to God and to Jesus Christ than in any other book in the world closer to home and freshly relevant for today's readers For almost fifty years and for millions of readers the Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study Now with the release of the New Daily Study Bible a new generation will appreciate the wisdom of William Barclay With clarification of less familiar illustrations and inclusion of more contemporary language the New Daily Study Bible will continue to help individuals and groups discover what the message of the New Testament really means for their lives *The Gospel According to John and the Johannine Letters* Scott M. Lewis, 2005 Thought provoking and understandable Scott M Lewis SJ breaks the Gospel of John down into manageable sections with commentary vital to new and returning readers Using themes from John's prologue to provide a focus Lewis encourages his readers to question and ponder rather than gloss over this deceptively simple text *The Gospel According to John and the Johannine Letters* offers a brief commentary incorporating recent scholarship with a general approach Ideally suited for Bible study groups as well as individual reflection it is accessible to a broad range of people Scott M Lewis SJ STD is associate professor of New Testament at Regis College Toronto Ontario and is engaged in retreat ministry
