Aidan Nichols, O.P.,2020 In this brief guide an internationally acclaimed theologian and Dominican priest

He looks at the nature of theology, its status as a science that is also a wisdom, its intrinsic principles and methods, its sources and its subdivisions. He discusses the qualities the budding theologian must make his own if theology is to be authentically Catholic and assist rather than hinder the Church's mission. In a time of considerable confusion in the intellectual life of the Church arising not only from professors but from hierarchs, *The Theologian's Enterprise* offers comprehensive yet concise counsel to those setting out in the study of their faith, perhaps for the first time.
