## **Gospel Women Studies Of The Named Women In The Gospels:**

*Gospel Women* Richard Bauckham, 2002-05-15 This unique approach reveals that there is much more to be known about biblical women than previous studies have assumed Employing historical and literary readings of the biblical texts Bauckham successfully captures the particularity of each woman he studies *The Ministry of Women in the New Testament* Dorothy A. Lee, 2021-02-16 Respected scholar Dorothy Lee considers evidence from the New Testament and early church to show that women's ministry is confirmed by the biblical witness Her comprehensive examination explores the roles women played in the Gospels and the Pauline corpus with a particular focus on passages that have been used in the past to limit women's ministry She argues that women in the New Testament were not only valued as disciples but also given leadership roles which has implications for the contemporary church *Roman Wives, Roman Widows* Bruce W. Winter, 2003 During the late Republic and early Empire the new woman made her appearance This was a wife or widow of means who took part in life outside the walls of her house including wider society business and extra marital affairs **A New Vision, a New Heart, a Renewed Call** David Claydon, 2005 *A Handbook on the Jewish Roots of the Gospels* Craig Evans, David Mishkin, 2022 A survey of the historical theological and practical issues of reading the Gospels as Jewish literature Includes over thirty articles by well known experts on current topics relating to Jesus and the Gospels in light of new developments in archaeology ancient texts and Jewish society in late antiquity **Jesus in Jerusalem** Eckhard Schnabel, 2018-09-18 This is the first book to describe and analyze sequentially and in detail all the persons places times and events mentioned in the Gospel accounts of Jesus's last week in Jerusalem Part reference guide part theological exploration Eckhard Schnabel's Jesus in Jerusalem uses the biblical text and recent archaeological evidence to find meaning in Jesus's final days on earth Schnabel profiles the seventy two people and groups and the seventeen geographic locations named in the four passion narratives Placing the events of Jesus's last days in chronological order he unpacks their theological significance finding that Jesus's passion death and resurrection can be understood historically as well as from a faith perspective **Jesus and the Eyewitnesses, 2nd ed.** Richard Bauckham, 2017-04-28 A groundbreaking work in New Testament studies expanded and updated Winner of the 2007 Christianity Today Book Award in Biblical Studies this momentous volume argues that the four Gospels are closely based on the eyewitness testimony of those who personally knew Jesus Noted New Testament scholar Richard Bauckham challenges the prevailing assumption that the Jesus accounts circulated as anonymous community traditions asserting instead that they were transmitted in the names of the original eyewitnesses In this expanded second edition Bauckham is adding a new preface three substantial new chapters that respond to critics and clarify key points of his argument and a comprehensive new bibliography *The Multilingual Jesus and the Sociolinguistic World of the New Testament* Hughson T. Ong, 2015-10-05 In *The Multilingual Jesus and the Sociolinguistic World of the New Testament* Hughson Ong provides a study of the multifarious social and linguistic dynamics that compose the speech community of

ancient Palestine which include its historical linguistic shifts under different military regimes its geographical linguistic landscape the social functions of the languages in its linguistic repertoire and the specific types of social contexts where those languages were used Using a sociolinguistic model his study attempts to paint a portrait of the sociolinguistic situation of ancient Palestine This book is arguably the most comprehensive treatment of the subject matter to date in terms of its survey of the secondary literature and of its analysis of the sociolinguistic environment of first century Palestine **Women**

**Who Do** Holly J. Carey, 2023-10-24 Meet the women who followed Jesus even when the Twelve failed To be a disciple is to follow Jesus And that requires action But in the Gospels the disciples often falter The Twelve even abandon Jesus at his crucifixion in many of the narratives Yet it is female disciples who remain faithful to Jesus to the end What do we make of this In **Women Who Do** Holly J Carey examines what it means to be a disciple and contends that it is the women who best embody discipleship in the Gospels Carey describes the expectations and social roles for women in first century Greco Roman and Jewish contexts Then she offers a close reading of each of the four Gospels as well as Acts of the Apostles What emerges is a cohesive narrative critical case that the Twelve are not an equivalent group to the disciples In fact the Twelve are set as foils against the faithful active and often nameless disciples who populate the narratives many of whom are women **Women Who Do** is essential reading for students and scholars seeking a fuller understanding of women's roles in Jesus's ministry Carey's argument not only clarifies the narrative of the Gospels but also raises questions about how the church conceives of women's leadership today **Matthew (Baker Exegetical Commentary on the New Testament)** David L. Turner, 2008-04-15 New

Testament scholar and professor David L Turner offers a substantive yet highly accessible commentary on Matthew in this latest addition to the BECNT series With extensive research and thoughtful chapter by chapter exegesis Turner leads readers through all aspects of the Gospel of Matthew sociological historical and theological to help them better understand and explain this key New Testament book He also includes important insights into the Jewish background of this Gospel As with all BECNT volumes Matthew features the author's detailed interaction with the Greek text This commentary admirably achieves the dual aims of the series academic sophistication with pastoral sensitivity and accessibility making it a useful tool for students professors and pastors The user friendly design includes shaded text chapter introductions summarizing the key themes of each thought unit *Imitating Jesus* Richard A. Burridge, 2007-10-22 In contrast to many studies of New

Testament ethics which treat the New Testament in general and Paul in particular this book focuses on the person of Jesus himself Richard Burridge maintains that imitating Jesus means following both his words which are very demanding ethical teachings and his deeds and example of being inclusive and accepting of everyone Burridge carefully and systematically traces that combination of rigorous ethical instruction and inclusive community through the letters of Paul and the four Gospels treating specific ethical issues pertaining to each part of Scripture The book culminates with a chapter on apartheid as an ethical challenge to reading the New Testament using South Africa as a contemporary case study enables Burridge to

highlight and further apply his previous discussion and conclusions      Why People Matter John F. Kilner, 2017-01-03 Amid current arguments related to human life and dignity Christians must be clear about how their faith speaks to such concerns and what other outlooks have to say This book brings together noted ethicists Russell DiSilvestro David P Gushee Amy Laura Hall John F Kilner Gilbert C Meilaender Scott B Rae and Patrick T Smith to make a Christian case for human dignity It offers a robust critique of five influential alternative positions including the emerging outlook of transhumanism showing how a Christian view supports the crucial idea that people matter in a way other views cannot      A Theology of Luke and Acts Darrell L. Bock, 2015-04-28 This groundbreaking work by Darrell Bock thoroughly explores the theology of Luke's gospel and the book of Acts In his writing Luke records the story of God working through Jesus to usher in a new era of promise and Spirit enablement so that the people of God can be God's people even in the midst of a hostile world It is a message the church still needs today Bock both covers major Lukan themes and sets forth the distinctive contribution of Luke Acts to the New Testament and the canon of Scripture providing readers with an in depth and holistic grasp of Lukan theology in the larger context of the Bible I Howard Marshall A remarkable achievement that should become the first port of call for students in this central area of New Testament Theology Craig S Keener Bock's excellent exploration of Luke's theological approach and themes meets an important need in Lukan theology      The Expositor's Bible Commentary David E. Garland, 2005 This is a complete revision of the Gold Medallion winning commentary series It is up to date in its discussion of theological and critical issues and thoroughly evangelical in its viewpoint Publisher description      **Jesus and the Eyewitnesses, 2d ed.** Bauckham, Richard, 2017 Jesus and the Eyewitness argues that the four Gospels are closely based on the eyewitness testimony of those who knew Jesus The author challenges the assumption that the accounts of Jesus circulated as anonymous community traditions asserting instead that they were transmitted in the name of the original eyewitnesses      **The Sacredness of Human Life** David P. Gushee, 2013-01-14 This authoritative book is the most comprehensive examination ever of the sacredness of human life Never before has one volume explored this subject in such a multifaceted way encompassing biblical roots theological elaborations historical cases and contemporary ethical perspectives Tracing the concept of the sacredness of human life from Scripture through church history to the present day David Gushee argues that viewing human life as sacred is one of the most precious legacies of biblical faith albeit one that the church has too often failed to uphold Besides providing a masterful historical survey Gushee's discussion covers the many current ethical challenges and perspectives that will impact the survival and flourishing of human life including biotechnology the death penalty abortion human rights nuclear weapons just war theory women's rights and creation care Gushee's Sacredness of Human Life is a game changing book that will set the standard for all future discussions of this key ethical concept      **The Mary We Forgot** Jennifer Powell McNutt, 2024-10-15 Mary Magdalene's life was transformed when she was healed by Christ and joined his ministry from Galilee to Jerusalem The Gospels teach that she was also a witness at the cross and the first one

sent by Christ to preach his resurrection Yet her story is often confused scandalized and undervalued by the church In *The Mary We Forgot* award winning church historian and theologian Jennifer Powell McNutt unpacks Scripture and history to reveal the real Mary Magdalene the first apostle of the good news and a model of discipleship for both men and women today McNutt also invites readers along on her journey through southern France tracing the path remembered by some church traditions as where Mary Magdalene spread the gospel Christians will learn from the disciple known as the apostle to the apostles how to embrace Jesus's calling to go and tell with faith and courage They'll also be encouraged by the reminder that God calls ordinary imperfect and unexpected people to share the good news of Jesus Christ The hope of remembering Mary Magdalene is ultimately to better know the one to whom she pointed the risen Christ **Jesus, the Prophets, and the End of the World** Trevor Bucknell, 2016-07-22 The Old Testament prophets and their writings were hugely instrumental in the formation of the second temple eschatology so an appreciation of the Old Testament prophetic literature greatly helps us in understanding the life and ministry of Jesus and the rationale of the early church Israel's story of divine election lay at the core of their identity as a nation and people constantly reinforced in the religious practices and rituals that made up their lives That story by the time of Jesus was heavily influenced by the eschatological expectations created by the prophets The people of Israel expected looked for and waited for God's intervention in their history and in their lives once again as he had intervened in the past The eschatological message of the prophets focused on two themes the kingdom of God and the day of the Lord The first theme largely found its fulfillment in the coming of Jesus and the birth of the church though it awaits his return for its culmination The book of Revelation presents an unfolding of the second theme the day of the Lord This forms the common theme in the prophets of God's final and culminating act of righteousness and justice in this age Mark Mary Ann Beavis, 2011-11 The Paideia series offers critically acclaimed commentaries from today's top scholars This volume exposes theological meaning in Mark by tracing its use of rhetorical strategies *A Theology of Matthew's Gospel* Michael J. Wilkins, 2025-10-07 A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1:1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11:2-6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28:19 The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique

theological perspective of God's activities in Jesus Messiah. This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology, the kingdom of heaven, discipleship, the Church, church, Israel, past, present, and future, the death and resurrection of Jesus, mission, commission, and eschatology, eternity. The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature. Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church. In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry. The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey. Therefore, Matthew's Gospel is at least in part a manual on discipleship to Jesus Messiah in the kingdom of heaven. In the six Narratives, Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses. The six Narratives provide the example that Jesus's disciples are commanded to obey. In the five Discourses, Matthew records Jesus's instructions, commands, parables, directives, and prophecies that will guide his followers in their discipleship to Jesus until the end of the age. Combined, the narratives of Jesus's life provide Jesus's example to follow, and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus.
