K. Mozley, 2004-04-20 This well known work on the atonement is primarily a historical and descriptive work Mozley overviews the biblical material and follows with chapters on the atonement in Greek and Latin theology and in Reformation and post Reformation doctrine Long used as a standard text Mozley's overview is succinct and informative **The Methodist Review Quarterly**, 1911 **Quarterly Review of the Methodist Episcopal Church, South**, 1911 **Bible Student and Religious Outlook**, 1912 **Dictionary of the Apostolic Church** James Hastings, John Alexander Selbie, John Chisholm Lambert, 1919 Revival: The Atonement (1949) Thomas Hywel Hughes, 2018-01-16 This volume can not be regarded as a history of the doctrine of Atonement nor yet as a study of the Scriptural witness to it It is rather an examination of the various theories and the more recent trends of thought with regard to it An explanation is necessary with regard to two points in the study Firstly it is confined to Britain and the tendencies of thought in this country and secondly only those thinkers have been included who have exercised an appreciative influence in certain circles and whose contributions to the subject have carried weight in the sphere of theological thought **The Doctrine of the Atonement** John Kenneth Mozley, 1916 *A Handbook of Christian Apologetics* Alfred Ernest Garvie, 1913 Dictionary of the Apostolic Church James Hastings, D.D., 1916 **The New Testament Concept of Atonement** H D McDonald, 2022-11-24 For the Christian faith questions relating to God can essentially be viewed as centred on the person of Jesus Christ In The New Testament Concept of Atonement H D McDonald uses this key insight to examine mankind's redemption focussing on Christ's atoning act as crucial in shaping God's relation to humanity and the world McDonald analyses elements which hold vital meanings and messages for the Christian doctrine of salvation In the first six chapters he investigates single terms within the New Testament such as tree or blood whose metonymical association with Christ's redeeming act has often become obscured over time Then various biblical interpretations of the Calvary event are studied In the final section he analyses the importance of the findings in previous chapters and their implications for Christology Detailed research underpins the text in the tradition of Reformed biblical scholarship with care taken to suggest further reading and trace sources *Essays Congregational and Catholic* Congregational Union of England and Wales, 1931 **The American Journal of Theology** University of Chicago.
