Gospel Of St Luke Penguin New Testament Commentaries:

The Gospel of St. Luke George Bradford Caird,1975 The Gospel of Saint Luke George Bradford Caird,1990 The Gospel of St. Luke George B. Caird,1974 Luke (Understanding the Bible Commentary Series) Craig A. Evans,2011-08-01

The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series **A Critical Introduction to the New Testament** Carl R. Holladay,2011-07-01 This book introduces the New Testament in two senses it not only provides basic literary and historical information on each of the twenty seven writings but also orients readers to the religious theological and ethical issues related to the message and meaning of Jesus Christ The overall goal is to help interested readers of the New Testament become informed responsible interpreters of these writings and thereby enrich their personal faith and understanding By giving special emphasis to how the New Testament has helped shape the church s identity and theological outlook throughout the centuries as well as the role it has played within the broader cultures of both East and West this introduction also seeks to assist readers in exercising creative informed leadership within their own communities of faith and in bringing a deeper understanding of early Christianity to their conversations with the wider public Along with separate chapters devoted to each New Testament writing there are chapters explaining how this collection of texts emerged as uniquely authoritative witnesses to the church s faith why they were recognized as canonical whereas other early Christian writings were not how the four canonical Gospels are related to one another including a discussion of the Synoptic Problem how the Jesus tradition his teachings stories from his ministry and the accounts of his suffering death and resurrection originated and developed into Gospels written in narrative form and how the Gospels relate to Jesus Christ as he was and is Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for the church This chapter includes a discussion of ancient letter writing special considerations for interpreting the Pauline writings and Paul s decisive influence within the history of the church and western culture The Gospel of St. Luke ,1826 **Opening the Scriptures Bringing the Gospel of Luke to Life** George Martin,2011-10-21

Bringing the Gospel of Luke to Life Insight and Inspiration Were not our hearts burning within us while he spoke to us on the way and opened the scriptures to us Luke 24 32 The Gospel of Luke can similarly come to life for us when as twenty first century Christians we have a teacher who will share his insights into its original first century meaning and context George Martin a gifted Catholic writer on Scripture employs commonsense vocabulary and concepts as he focuses on what Luke s words meant when he wrote them with an eye toward their meaning for our times Whether you practice lectio divina prepare

and preach homilies lead or participate in Bible study groups are a Scripture teacher or seminarian you will find George Martin to be an enlightening and accessible resource George Martin s expositions of the Gospels are written with admirable clarity They interpret each Gospel in its first century context convey the best insights of modern scholars and challenge readers to apply the text to their own lives Daniel Harrington S J Boston College School of Theology and Ministry "The Poor, the Crippled, the Blind, and the Lame" Louise A. Gosbell,2018-08-03 The New Testament gospels feature numerous social exchanges between Jesus and people with various physical and sensory disabilities Despite this traditional biblical scholarship has not seen these people as agents in their own right but existing only to highlight the actions of Jesus as a miracle worker In this study Louise A Gosbell uses disability as a lens through which to explore a number of these passages anew Using the cultural model of disability as the theoretical basis she explores the way that the gospel writers as with other writers of the ancient world used the language of disability as a means of understanding organising and interpreting the experiences of humanity Her investigation highlights the ways in which the gospel writers reinforce and reflect as well as subvert culturally driven constructions of disability in the ancient world *The New Testament Writings* James M. Efird,1980-01-01 The New Testament Writings is a simple and direct introduction to the New Testament Christians have a need and desire to comprehend the literature on which their faith is based James Efird s book serves this need very well He presents the New Testament clearly and concisely in nontechnical language This is a valuable resource for education growth and faith **New Testament Books for Pastor and Teacher: Revised and Updated to 2002** Ralph P. Martin,2002-07-23 Designed to serve as a companion volume to Brevard S Childs acclaimed Old Testament Books for Pastor and Teacher this convenient reference provides authoritative up to date listings of books in the New Testament field for those in the pastoral ministry as well as for teachers in churches colleges and seminaries Comprehensive in scope it considers basic exegetical tools translations dictionaries encyclopedias introductions histories theological reference works and commentaries Dr Martin gives priority to books in English although he cites exceptional works in German and French This practical book includes a basic list of what the author considers the most valuable current publications along with classic older volumes that should be the nucleus of a good New Testament library Containing a complete bibliography it will help readers of all denominations acquire the basic tools to understand and communicate the message of the New Testament
