What Happened at the Cross Billy Graham,2021-11-23 The cross of Christ towers over 2 000 years of history What happened on that hill called Calvary In this compilation of his life s work Billy Graham explains what Jesus accomplished on the day of his death the meaning of his sacrifice where he is now the price of victory and how to live with hope It s almost impossible to find one of Billy Graham s sermons that didn t focus on the incredible events that happened over 2 000 years ago on Mount Calvary and that s because he centered his life and ministry around its message In this special collection of the beloved evangelist s inspiring messages on the cross discover simple yet profound truths that will change your life This one of a kind message includes An exclusive foreword from Franklin Graham and afterword by Will Graham More than 40 bonus pages of Scripture references pointing readers to what God s Word says about the cross and salvation The Steps of Peace salvation plan from the Billy Graham Evangelical Association Seven chapters of rich content explaining what happened at the cross the price of victory the meaning of the cross the king s eternity and how to live life with hope Perfect for Christians seeking spiritual encouragement and a better understanding of the Gospel s message What Happened at the Cross will help you better understand the meaning of the cross and equip you to proclaim the gospel in your Church your community and beyond

The Cross and Christian Ministry D. A. Carson,2004-02-01 In this exposition of 1 Corinthians D A Carson presents a comprehensive view of what the death of Christ means in preaching and ministering to God s people He explains the key biblical principles for dynamic cross centered ministry and how to put the cross at the center of Christian life

Simple Gospel Joshua West,2017-03-08 Have we minimized the message of the cross in an attempt to seem more relevant to an increasingly modern world Instead of conforming to the image of Christ have we tried to conform Christ to agree with our image our lifestyle and our culture How does our understanding of truth and love affect our view of the Lord and ourselves Does our life ultimately line up with the scripture Do the ways we do our church line up with what Jesus had in mind when he established the church Do we set the margins for how we live by the climate of our culture or from the scriptures

The Empty Cross of Jesus Michael Green,2023-09-28 The cross is too important a matter to be left to the theologians If it is true that God almighty was in Christ redeeming the world on Calvary then we need to understand what that cross can mean for ordinary individuals and communities With this conviction Green reexamines the question of atonement Why did Jesus have to die How could a loving God allow his son to suffer And what role does the resurrection play in this divine drama Rooting his discussion in Scripture Green opens up the meaning of Easter in an easy nontechnical style The empty cross of Jesus liberates the theologian inspires the preacher comforts the counselor and fortifies every disciple for a life of self sacrifice

The Way of the Cross Joel B. Green,2009-05-01 Jesus has always invited and challenged his disciples to follow him in the way of redemptive suffering the way of the cross This according to Joel Green is the very heart of Mark s gospel It is also the heart of discipleship today In six engaging chapters Green shows how Mark unfolds the drama of Jesus s

mission to suffer for others how this mission was not initially understood by the first disciples and how all this can transform our own understanding of the call to follow Each chapter deepens our sense of the integrity of Mark and challenges us to follow Jesus in our own practice of discipleship and experience with suffering today The Way of the Cross is for individuals and groups who are serious about Bible study and about the relevance of such study to their lives Each chapter concludes with a set of questions for reflection and discussion

The Cross of Christ A. B. Simpson, 2010-08-02 If A B Simpson lived and preached one central theme throughout his long and fruitful ministry it was the message of the cross death to self and a life of victory through the resurrection power of Christ These ten chapters from one of the most dynamic evangelical leaders of the early 20th century focus on his belief that Christ s death was the ultimate expression of God s love for humans a divine plan large enough to encompass the whole world

Cross John Piper, David Mathis, 2015-03-01 How beautiful are the feet of those who preach the good news It is the most dangerous and loving cause in the universe rescuing sinners from eternal suffering and bringing them into the eternal joy of relationship with Jesus Jesus himself said that for every person who does not believe the wrath of God remains on him John 3 36 And for the peoples of the world who have no access to the gospel the wrath of God does just that World missions is the marvelous venture of crossing cultures to rescue unreached peoples from eternal suffering renovate their broken lives and see them reflect God s glory through joy in Christ There is no better reason to lose your life and no greater way to live it Cross captures for a new generation this great summons to the unreached and unengaged peoples of the world Inspired by the inaugural Cross student missions conference this book includes contributions from John Piper David Platt Matt Chandler Thabiti Anyabwile Kevin DeYoung D A Carson and more

The Cry of Jesus on the Cross Gerard Rosse, 2003-11-20 The cry of Jesus on the cross described in the gospels of Mark and Matthew was a wail of pain and abandonment Many Christians have been scandalized by it On one hand it is an expression of the humanity of Jesus while at the same time it links him with his Jewish heritage and the rich imagery of the psalms Italian theologian Gerard Rosse has examined the many meanings of Jesus cry He first considers the historical question whether these were truly the words of Jesus If we assume that they are what do the words mean Was it merely a cry of despair or does it reveal something of the relationship between Jesus and the One called Abba Theologically what light does it cast on the inner life of the Trinity Rosse also considers the reality of abandonment in the world today and what the outcry of Jesus reveals about our solidarity with all abandoned people

Let the Gospels Preach the Gospel Christopher J. H. Wright, 2017-01-14 Preaching about the cross of Christ is one of the greatest privileges and responsibilities any preacher can have The four Gospel writers who wrote about the cross of Christ and the events leading up to it did so in their own unique way Each interpreting the events through the lens of different Old Testament Scriptures and each emphasising different themes Based on his own sermons preached over a number of years at All Souls Church in London Christopher Wright explores the rich variety and lets the four Gospels preach the Gospel in their own way This is an excellent resource for preachers which is further enriched by the final

chapter that provides a personal commentary on how Wright prepared each of the sermons *Comforts from the Cross* Elyse M. Fitzpatrick, 2009-03-23 Daily comforts from the gospel of Christ provide busy Christian women with brief but deep reminders of how his truths powerfully connect to their daily lives Nothing comforts a woman's soul more than a fully understood and embraced gospel But many women aren't finding solace in their relationship with Christ because they don't see how his life, death, and resurrection connect with soccer practices and swim lessons Besides they just don't have time to sit down and read a theology book no matter how much they might hunger for God's truths That's where Elyse Fitzpatrick's latest book comes in *Comforts from the Cross* provides those well-intentioned women with bite-sized readings to remind them of their place in Christ and of his love and ministry in their busy lives It also dusts off the facts of the gospel to show how ancient truths such as justification, sanctification, and redemption can free and enliven their souls every day Even more these five-minute celebrations of the gospel relieve readers of legalistic condemnation and empower them for joyful obedience by engendering fresh love for the Savior A perfect choice for gift-giving or personal encouragement Fitzpatrick's book helps active women grasp the practicality of the gospel message and experience its deep comforts *The Cross* Martyn Lloyd-Jones, 1986-02-01 Ever since his first sermon in 1925 Martyn Lloyd Jones consistently emphasized the significance of Christ's sacrifice for our sake This new collection of sermons reveals this theme in Lloyd Jones' classic expository style showing his gift for combining a warm personal devotion to Jesus Christ with deep theological insight His grasp of Scripture still causes the maturest believer to ponder yet he brings a simplicity of thought to his preaching that even a child can understand and enjoy *The Cross* explains how Christ's crucifixion works for our redemption and why this even is the cornerstone of the Christian life *Scandalous* D. A. Carson, 2010-02-03 How are Christians to approach the central gospel teachings concerning the death and resurrection of Jesus The Bible firmly establishes the historicity of these events and doesn't leave their meanings ambiguous or open to interpretation Even so there is an irony and surprising strangeness to the cross Carson shows that this strange irony has deep implications for our lives as he examines the history and theology of Jesus's crucifixion and resurrection *Scandalous* highlights important theological truths in accessible and applicable ways Both amateur theologians and general readers will appreciate how Carson deftly preserves weighty theology while simultaneously noting the broader themes of Jesus' death and resurrection Through exposition of five primary passages of Scripture Carson helps us to more fully understand and appreciate the scandal of the cross **The Cross in the New Testament** Leon Morris, 1965 This is a print-on-demand book and is therefore non-returnable From time to time in the study of theology it becomes necessary to evaluate what Scripture has to say on certain crucial doctrines of the faith Leon Morris presents here a survey of the vast subject of atonement as it is considered in the New Testament also taking into account the most significant work that has been written on the subject While Morris is concerned to emphasize the necessity of appreciating the many strands that are woven into the Christian doctrine of the atonement he does not hesitate to criticize

the views of modern scholars when those views are not wholly in accordance with the New Testament teaching Here is a valuable apology from an evangelical point of view for the biblical doctrine of the atonement in the face of modern liberalism At the heart of this doctrine is the idea of substitution Morris believes and his thorough examination and defense of this view contribute to making this volume a theological treatise of great usefulness and significance [Steps to the Cross](#) John C. Scott,2002-05 [The Seven Sayings of the Saviour on the Cross](#) Arthur W. Pink,2005-11-01 The words Christ spoke from the cross can inform Christians of the purpose the meaning the sufferings and the sufficiency of his death After an introduction that discusses the nature of Christ s death as natural unnatural preternatural and supernatural Dr Arthur W Pink clearly illustrates the lessons that can be drawn from Christ s words lessons on forgiveness salvation affection anguish suffering victory and contentment This comprehensive and accessible volume is useful for both sermon preparation and personal study [The Messenger of the Cross](#) Watchman Nee,1998-02 Watchman Nee s thesis in this book is that Christ came to mankind by way of the cross and only by this same way can we know Him At the source of all spiritual things he says stands the cross **Explaining the Cross: Why did Jesus have to die?** Jason Kerrigan,2019-04-19 Why would God need an innocent man to die to forgive us Isn t it an injustice for God to punish an innocent man for the crimes of another Why couldn t he simply forgive us without Jesus dying just as we forgive one another without exacting some form of punishment How does this all make sense This book is an easy read that makes sense of it all [The Seven Sayings of Jesus on the Cross](#) Murray J. Harris,2016-02-18 Who of us can possibly imagine the excruciating pain of being crucified But further who would imagine that in the midst of this ghastly punishment that brings on unrelenting headaches and mental disorientation a crucified man would actually give thought to the needs of others This book explores in detail the nature of crucifixion and then invites the reader to listen in stunned silence to the amazing seven sayings of Jesus of Nazareth while hanging on the cross as he focuses his attention on others in the first three sayings and only then on his own distressing situation His last four sayings give expression to his utter spiritual and physical anguish and conclude with a cry of victory and then a cry in which he commits himself to God *The Cruciality of the Cross* Peter Taylor Forsyth,1909 P T Forsyth explains the importance of the Atonement by perishing in agony upon the crucifix Christ atoned for the sins of humanity The Gospels of the New Testament tell of how Jesus lived His life the teachings He delivered and how He came to be sentenced to death Yet the essence and depth of the message carried within the death of the Lord Jesus is not necessarily understood by all believers who read their Bible Thus the author wrote this book that the vital lessons of Jesus Christ and the atonement He undertook upon the crucifix are understood The moral and ethical implications of the death of Christ are great it is these which P T Forsyth explains with superb clarity As one of Scotland s appreciated theologians P T Forsyth s knowledge and study of the Bible and the history of Christianity is renowned He sought to explain and clarify the most important lessons and beliefs of the Biblical for the modern believer Passionate and lively in his explanations Forsyth s works remain read and in print more

than a century on with Christians eager for a deeper connection with their faith turning to the works of this learned scholar

The Cross that Spoke John Dominic Crossan, 2008-03-01 In this revolutionary work John Dominic Crossan reveals that the Passion and Resurrection Narratives in the four canonical Gospels are radical revisions of an earlier Gospel account He argues boldly that the apocryphal Gospel of Peter discovered in the grave of a Christian monk in Egypt circa 1886 contains the earliest version of the death burial and resurrection of Jesus He describes how the authors of the four Gospels revised the early account of how their revision predominated as Roman authority grew Lacking in the revision he suggests is the very heart of the earlier Passion its depiction of Jesus death as the consummation of Israel s pain and the resurrection as the vindication of Israel s faith
