Seduction Force Multiplier 2: Power of Routines - Over 700 Scripts, Lines and Routines Jack N. Raven, 2015-09-26

BONUS Includes Audio recordings of the actual routines in the book All 700 of them Download Link found inside It will give added insights on the overall game strategy to put back routines that were missed in standard teachings from routine based systems that only produced Social Robots The mistake of the old teachings is they had you memorize random routines although were useful Were simply out of context in the flow of conversations from the sets or targets If you were naturally talking about Cars you had to transition into talking about Cs and U smiles and gay cats That s retarded True routine game does not need you to force segue routines just so you can use them You have to roll with the punches devastating blows at that and flow naturally The feeling should be as effortless as if you were doing Natural game or engaged in normal conversations with real people This book has enough canned materials or templates that can be customized and reworded highly encouraged to fit exactly how you converse and your own unique game styles and personality As with the problem of those doing routines They only had a miniscule collection of routines memorized They were obscure topics out of the way in typical conversations and not easy to implement in conversations This is because the Seducer has no way to INTERNALIZE and have ready access to the materials This is also why the audio recordings are included to serve as your Line Feeder anytime anywhere even if you re doing another task So you can practice even while sleeping and really absorb the materials through different modes of internalizations This book series purpose is not just to give you routines but for you to ABSORB and actually have ready memory access to the materials whenever you need them in the field Over 700 hundred of them
