A Cry for Help John Duffield, 2009-07 *A Cry For Help* provides the solution to a very old puzzle. Namely why is it that millions of people desperate for happiness can't find it in thousands of self help books. Every one of these books has tools in it that can help you and I make our dreams come true. So what on earth can be wrong. The answer is unbelievably simple but very difficult to believe. It's this. By far most of us have no idea what our own dreams are. To make our dreams come true after all we must know what those dreams are. First *A Cry For Help* reveals that a single sinister fear of being judged is keeping our dreams from us and how to take it away. Once this fear is removed our dreams flow back into our lives like water and every single self help book can help make them real.

She offers a positive action plan that turns every challenge into an opportunity and even helps relieve stress induced exhaustion and poor health. The Decisions that Shape One's Destiny Lloyd N. Moffatt, 2011-05 Every lesson experience and obstacle that is part of life requires a person to make a critical decision that will shape his or her destiny. It is through those experiences that come from the lessons that life teaches and the obstacles that one must go through that defines truly where one's heart and purpose lies in this world. I wrote this book because I know how important decision making is in everyone's lives. There are people who like to make decisions such as finding the right career the right person to marry the right places to live and raise their children even decisions that affect their overall dreams and goals. Each person was born with a purpose in this world. No one can exist in this life without one. God doesn't make any mistakes in who or what He creates. Therefore because you are not a mistake and God created you with a purpose you have every reason to tap into your abilities and capabilities to impact the world. If you are hungry to discover your true potential passion and purpose in life you will be an entirely different person after reading this book. You will have the mindset to accomplish every impossible dream and goal that many people thought you could never possibly attain.
